Emergency Grants - Title IV

- 8) What percentage of students received emergency grants and how much did students receive in emergency grants by fund type and student type?

Note: Institutions must provide complete answers to each question.

- b) Among the students enrolled in your institution, how many were NOT Title IV eligible throughout their enrollment during the reporting period?

Enrolled Students Not Eligible

0

Based on the Department's Final Regulations issued on May 14, 2021 (86 FR 26608, available at <https://www.federalregister.gov/d/2021-10190>), students are not required to be eligible for Title IV student financial aid in order to receive HEERF emergency financial aid grants. Title IV eligibility for this question is based on the number of students for whom the institution has received an Institutional Student Information Record (ISIR) plus the number of students who completed any alternative form developed by the institution. In reporting these data, students should be classified as Title IV eligible if they were determined to be Title IV eligible at any point during the reporting period.

- f) What number of students were enrolled, what number received emergency grants and how much grant aid did the students receive by IPEDS age categories?

Institutions should follow IPEDS Fall enrollment guidelines (<https://nces.ed.gov/ipeds/use-the-data/survey-components/8/fall-enrollment>) for when to capture a student's age. For example, institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.

FTE Positions

- 11) Provide the number of full-time equivalent (FTE) positions as of the listed reporting dates by IPEDS categories. (The number of FTE positions includes all staff regardless of whether the position is funded by Federal, State, local, or other funds—including instructional and non-instructional staff and contractors—and equals the sum of the number of full-time positions plus the full-time equivalent of the number of part-time positions).

Instructional Staff

An occupational category that is comprised of staff who are either: 1) Primarily Instruction or 2) Instruction combined with research and/or public service. The intent of the Instructional Staff category is to include all individuals whose primary occupation includes instruction at the institution.
