Saint Mary's College swimmer earns 4th all-conference honor

Senior Megan Ramsey (Michigan City, IN/Michigan City HS) was named to her fourth consecutive All-MIAA team by the conference on Friday. She becomes the first Saint Mary's athlete to earn all-conference honors (first team) each of her four years at the school.

Ramsey was a Championship finalist in all three of her individual events at the Michigan Intercollegiate Athletic Association (MIAA) conference meet recently contested in Grand Rapids, Mich. She placed 2nd in the 500 Freestyle, 4th in the 100 Butterfly and 6th in the 200 Butterfly. Ramsey also swam on four championship-scoring relays for the Belles.

Last season she became the school's first MIAA individual event champion while also earning its first NCAA Championship Consideration cut in the 100 Butterfly. By virtue of that qualifying time and her academic success, she became the first Saint Mary's College student-athlete to earn any type of NCAA academic honor – *Honorable Mention NCAA Academic All-American*.

Ramsey finishes her career with Saint Mary's having placed as a finalist in the top six in every individual event she swam at the MIAA Championships. She owns school records in the 100 and 200 Butterfly events, at one point held the 200 Freestyle record, owns the second fastest time on the program's All-Time list in three other individual events, and is part of four relay records. She has also been the team's MVP the last two seasons.
