Buy the right computer for you and Saint Mary's College

Recommended Apple Computers

Summer 2011 - www.saintmarys.edu/resnet

To order a recommended Apple computer online through Saint Mary's College:

Please take the time to review our *2011/2012 Student's Guide for Bringing a Computer to Saint Mary's College* and copies of our handouts from our Summer Orientation sessions, all of which are available electronically on our ResNet website at <http://www.saintmarys.edu/resnet>

- Visit the ResNet @ Saint Mary's College website at <http://www.saintmarys.edu/resnet> and scroll down to the section *ResNet: Recommended Apple Computers*. Click on the Apple graphic to access our Saint Mary's Custom Apple website.

OR

- Go directly to <http://www.apple.com/edu/saintmarys> to access our Saint Mary's Custom Apple website.

If you wish to purchase one of our recommended models:

- Click on the *Recommended Systems: Selected to meet your needs* graphic in the upper right corner of the page.
- View Saint Mary's recommended systems and select one of your choosing. You can continue shopping to add a printer that qualifies for up to a \$100 rebate or other accessories if you wish. Then place your order.

If you wish to purchase a customized model:

- Select the computer you wish to purchase and customize it to your liking. You can continue shopping to add a printer that qualifies for up to a \$100 rebate or other accessories if you wish. Then place your order.
-

Why order a recommended computer model online?

Our recommended models include system specifications that should help the computer last for four years at Saint Mary's, and include Apple's AppleCare three-year warranty. ResNet has had a lengthy and positive experience with Apple computers. The 13-inch MacBook Pro is the same model Saint Mary's Information Technology purchased this summer for College faculty and staff who use Mac OS X computers. For more information on recommendations, please review our *Student's Guide for Bringing a Computer to Saint Mary's College*.

In addition, ordering a recommended computer online using the instructions above (not from an Apple Store or other source) ensures that you will receive the correct educational discount for being a Saint Mary's student, you can easily select a recommended computer model or customize one for your needs, and Apple will give 3% of your purchase price back to Saint Mary's College for the General Fund. (The General Fund is for basic College operations, the money does not go to the Information Technology department or ResNet.)
