

### **BUAD 499 Internship in Business/Economics**

Professional work experience with a business or non-profit organization in a specific concentration or major. A student generally works at an off-campus internship site and makes periodic written reports and oral presentations. The Internship in Business Economics course may not be used to satisfy any major requirements. Graded S/U.

Prerequisite: Senior standing (or spring semester junior year) and/ or permission of department chair. Open to ACCT, BUAD, ECON, and MIS majors.
