# Summer at Saint Mary's

Since 1974, Saint Mary's College has offered camps for girls in the safe and protective environment of the College's historic campus. Summer camps help young women build self-esteem, master new skills, make new friends, and experience the excitement of a college atmosphere. Twenty-four hour security and health services are provided during the camp season.

Saint Mary's College, located in Notre Dame, Indiana, is a four-year, Catholic, women's institution offering five bachelor's degrees and more than 30 major areas of study.

The College has six nationally accredited academic programs: social work, art, music, education, chemistry, and nursing.

*U.S. News* ranks Saint Mary's among the top 100 "Best National Liberal Arts Colleges" in *The Best Colleges 2013* guidebook. Founded in 1844 and sponsored by the Sisters of the Holy Cross, the College is a pioneer in the education of women. Visit [saintmarys.edu](http://saintmarys.edu) for more about Saint Mary's College.

Explore your interests. Make new friends. Live in residence halls under the care and protection of counselors, instructors, and professional staff members. Instruction is provided by Saint Mary's faculty, staff, and area educators who are chosen for their expertise in the classroom and on the playing field.

**Meals:** Sodexo is the food provider for Saint Mary's College. As the leading food management services company in North America, Sodexo provides summer guests with a variety of tasty and nutritious options at each meal. The Noble Family Dining Hall is an "all-you-care-to-eat" facility. Visit [saintmarys.edu/dining](http://saintmarys.edu/dining) for more information.

**Phones:** Camps at Saint Mary's have a no-phone policy in place for all campers. Because this may be the first time away from home, some campers may experience separation anxiety. The staff, counselors, and instructors are dedicated to making this period of adjustment as comfortable as possible for everyone involved.

The phone policy has been established for the welfare of the entire camp program. In an emergency, parents may contact their children through the camp office or the camp director.

**Homesickness:** Staff members have been trained to react to homesickness with compassion and sympathy. Our counselors will help campers focus on exciting camp activities, making new friends, and the fun of the experience.

**Try Out Campus Life:** Campers stay in residence halls at Saint Mary's that feature 24-hour desk staff. Counselors live in close proximity to their campers, and a nighttime supervisor is on call and available from 8 p.m. to 8 a.m. Saint Mary's Security staff is available and accessible at all times. Campers may request specific roommates prior to coming to camp at Saint Mary's.

Deadline to apply: **June 3, 2013**

# Fine Arts

(girls entering grades 5–9)

Art, Creative Writing, Dance, Theatre, and Music

July 7–12

July 14–19

July 21–26

Embark on a journey of self-discovery through creativity. Campers explore five disciplines:

- art
- dance
- theatre
- music
- creative writing

You'll also participate in a daily concentrated class focusing on one of these disciplines. On Friday, you will present your work at the Performing Arts Forum in O'Laughlin Auditorium for your friends and family.

**Art:** Campers will experience distinct art forms such as painting, jewelry, wearable art, paper art, and textiles. Whether you are sculpting, making friendship bracelets or angel wings, or designing your own garment, you'll be bringing your own masterpiece to life inside Saint Mary's professional art studios.

**Dance:** Each dance class has a distinct rhythm as campers develop skills in memory, musicality, and style. You'll learn dance history and vocabulary as you explore ballet, jazz, and modern dance. The Saint Mary's Dance Studio is complete with a sound system, mirrors, and a dance floor—an ideal space to express yourself through movement.

**Theatre:** Character, voice, and movement provide the building blocks for campers to express their dramatic potential. You'll develop performance skills and collaboration techniques through theatre games and group exercises. Classes are held on-stage in the historic O'Laughlin Auditorium.

**Music:** Classes immerse campers in the basic elements of music. Past participants have created their own musical instruments, sung Broadway musical selections, and made the most of brooms and trash cans in their own version of the exciting musical show *Stomp*. You are invited to bring a musical instrument from home if you wish to share your talent.

**Creative Writing:** Embrace the world of words in sessions designed to build your distinct writing voice. Learn to express yourself on the page through unique exercises like reporting, writing ad jingles, poetry slams, monologues, or writing a love letter to your favorite food.

Whether you're experienced in the fine arts or not, you're welcome to enroll in Saint Mary's Fine Arts Camp at your individual skill level. The only requirement is the desire to learn and join in the fun.
