Saint Mary's College

A Guide to Your Flexible Spending Account

A Balanced Approach To Saving Time And Money
Flexible Spending Accounts

Making the most of your money.

What if you could make your earnings stretch further? A Flexible Spending Account (FSA) can help you to do just that. Saint Mary's College offers you an opportunity to participate in two FSA programs: A Healthcare FSA and a Dependent Care FSA. An FSA is a tax-effective, money-saving option that will help you pay for qualified healthcare expenses that aren't covered by your medical plan, and for dependent care services necessary to enable you to work.

Here’s how an FSA works:

- **Eligible medical expenses.** Use pre-tax dollars to pay for eligible medical care expenses not reimbursed by a medical plan. All IRS code 213(d) expenses are eligible, including your deductible, coinsurance and copays, and expenses above usual and customary limits, as well as out-of-pocket expenses on prescription drugs, dental, vision, hearing and orthodontic care. Certain over-the-counter items may qualify, too.

- **Dependent care costs.** Pre-tax dollars can be set aside for day care type expenses for eligible children or adults. Expenses are eligible if they’re for the care of a person under age 13, or an older dependent who is unable to care for themselves. They must regularly spend at least eight hours a day in your home.

Maximize your savings potential.

You will gain the most savings from your FSA if you plan carefully. When you enroll in an FSA, you designate in advance the amount of money you wish to have deducted from your salary and deposited into your FSA over the length of a year. To do this, you must estimate in advance the annual costs you want your FSA to cover.

If you underestimate, you will deplete your FSA before the end of the year, losing some of your tax-savings potential. If you overestimate and there is money left in your FSA at the end of the year, you may have to forfeit some of this money. Your employer allows you to carry over up to $500.

**Important note!** While it probably is not possible to precisely anticipate your eligible FSA costs, Meritain Health provides two calculation worksheets to help you: “FSA Worksheet and Eligible Expenses Guide” and “Dependent Care FSA Determination.” These worksheets are located in this kit, and include examples of eligible and ineligible expenses that can be applied towards your Healthcare and Dependent Care FSAs.

The Bottom Line:
An FSA saves you money. Pre-tax deductions mean that your payroll taxes (federal, state and Social Security) are decreased and your take-home pay is increased. Your gross earnings are adjusted to account for the amounts withheld, and your tax percentage is applied to a lower amount of income. You maximize your spendable income. And that’s a goal we all share.

These materials were created to help you understand the benefits available to you. This is not a Summary Plan Description and is not intended to replace the benefit summary or schedule of benefits contained within the Plan. If any provision of these materials is inconsistent with the language of the Plan, the language of the Plan will govern. Meritain Health is not an insurer or guarantor of benefits under the Plan.
Frequently Asked Questions About FSAs

If I have a question about my FSA, whom should I call?
You can contact your dedicated service team for help with claims questions, or for more information about your benefits. The phone number for customer service is 1.800.748.0003.

What is the maximum amount of money I can contribute in each plan year?
The IRS allows a contribution of up to $2,550 towards the healthcare portion of your FSA. For dependent care, the IRS allows a contribution of up to $5,000 per calendar year, or $2,500 if you are married and filing separate tax returns.

What if I want to change my election mid-year?
IRS regulations do not allow you to stop, start or change your contributions at any time during the plan year UNLESS you experience a qualified change in status, such as a change in marital status, number of dependents or employment status. Keep in mind that the election change must be consistent with the event.

How do I file a claim?
Fill out a claim form and attach your healthcare and/or dependent care receipts. Claim forms are available inside this packet. If you need additional forms, contact your benefits department, or access forms online at www.myMERITAIN.com. If you have access to your FSA using a benefits debit card, please refer to the information on the next page of this packet.

How often can I submit reimbursement requests?
Claims can be submitted at any time, and are processed weekly on Fridays.

What if I have more expenses during the plan year than I have contributed at that time?
The annual amount you have elected for healthcare costs is available to you at the beginning of the plan year. The amount available for reimbursement for dependent care is limited to the balance in your account.

What if I terminate employment?
Reimbursement can only be requested on healthcare expenses incurred before the date of your termination, unless you qualify and elect continuation of coverage under COBRA. You will have 90 days following the end of the plan year to submit your FSA claims.

Here’s an example:
- You make $1,500 in gross salary each month and choose to participate in an FSA.
- You decide to have $400 of your earnings deducted monthly to pay for eligible dependent care costs.
- That means you would be taxed on only an adjusted income of $1,100. Your taxes would be decreased and your take-home pay increased by $100 a month.
- That represents a savings of nearly 7% of earnings.

What if I still have money in my FSA at year’s end?
Your employer allows you to carry over up to $500; however, a portion of your unused funds may be lost at the end of the plan year. Please review the “FSA Reminders” page within this kit, for the FSA claim filing deadline.
What is a benefits debit card?

Your benefits debit card is a special-purpose MasterCard® that gives you an easy, automatic way to pay for qualified healthcare expenses. You can electronically access the pre-tax dollars set aside in your FSA.

How does my debit card work?

It works like a MasterCard®, with the value of your FSA contribution stored on it. When you have a qualified, eligible expense at a business that accepts MasterCard debit cards, you can simply use your benefits debit card. The amount of the qualified purchases will be deducted—automatically—from your account, and the pre-tax dollars will be electronically transferred to the provider/merchant for payment.

Is this just like other MasterCards®?

No. Your benefits debit card is a special-purpose MasterCard that can be used only for qualified healthcare/benefits expenses. It cannot be used, for instance, at gas stations or restaurants. There are no monthly bills and no interest.

Where can I use my benefits debit card?

Your card can be used to pay for eligible goods and services at providers/merchants that offer these goods or services and accept MasterCard. IRS regulations allow benefits debit card holders to use their cards in discount stores and supermarkets that are able to identify FSA-eligible items at checkout. If a card holder tries to use his or her card in a discount store or supermarket that does not offer this feature, the card may be declined.

Note: In March 2010, President Obama signed the Affordable Care Act, or ACA, into law. The ACA, also known as healthcare reform, will impact your OTC purchases. As of January 1, 2011, you must now obtain a prescription for any OTC medications or drugs in order to receive reimbursement from your FSA. You may use your debit card to purchase OTC items that contain a medicine or drug as long as you present your prescription to the pharmacist at the time of purchase. Please visit www.IRS.gov for further details regarding stipulations put in place by the IRS.

You may experience some inconsistencies regarding which OTC purchases will qualify at the register while stores are taking steps to comply with this new requirement. As a result of the ACA, the list of participating discount stores and supermarkets may have changed. Be sure to visit www.sig-is.org for a current list of participating stores.

Why do I need to save all of my itemized bills or EOBs?

You should always save itemized bills or EOBs for FSA purchases made with your benefits debit card. You may be asked to submit those documents to verify that your expenses comply with IRS guidelines. You must show the merchant or provider name, the service received or the item purchased, the date and the amount of the purchase. You will be notified if there is a need to submit a receipt.

What if I fail to submit receipts to verify a charge?

If receipts are not submitted as requested to verify a charge made with your benefits debit card, the card may be suspended until receipts are received. You may be required to re-pay the amount charged. Meritain Health will notify you if your card has been suspended because we have not received a receipt. Submitting a receipt or repaying the amount in question will allow the card to become active again.

Remember to always save your receipts!

This is important to confirm that your expenses are eligible.

Valid receipts display:

- Patient name.
- Date of service.
- Description of service.
- Name and address of provider or merchant.
- Amount covered by insurance if applicable.
FSA Reminders

Group number:
0198

Plan year:
1/1/2015 – 12/31/2015

FSA Reimbursement checks:
Claims are processed weekly on Fridays.

Healthcare FSA maximum:
$2,550

Dependent Care FSA maximum:
$5,000 per household or $2,500 per spouse if filing separate tax returns.

Claim forms:
A completed claim form must accompany every claim. Claim forms can be obtained from your employer or downloaded at www.myMERITAIN.com.

End of the year run-out:
FSA claims can be submitted up until 3/31/16, for expenses incurred through 12/31/15.

Terminated employee claim filing deadline:
You will have 90 days following the end of the plan year to submit healthcare FSA claims incurred while employed at Saint Mary’s College.

Election changes:
The IRS does not allow changes in your annual election unless you have a qualified change in status. You need to notify your employer within 31 days of any qualified status change.

For online claim status inquiry, log on to www.myMERITAIN.com.

- Returning Users:
  - Log in with your username and password or select one of the I Forgot tabs to obtain your username or password.
  - Select My Flex Account to view your FSA transactions and balance.

- New Users:
  - Click on the link Create A New User Account.
  - Enter your member ID, first name, last name, date of birth, zip code, group number and email address.
  - Check Subscriber on the next page.
  - Create your own username and password on the subsequent page.
  - Click Home and log in with your new username and password.
  - Select My Flex Account to view your FSA transactions and balance.

Claim submission.
Mail FSA claim forms and attachments to:
Meritain Health
P.O. Box 30111
Lansing, MI 48909

Or fax to:
1.888.837.3725

For additional plan information:
For additional plan information, refer to your Summary Plan Description (SPD), contact your employee benefits department, or contact the Meritain Health FSA Department at:

The Right Balance: Look Over The Counter!

Guidelines for Over-The-Counter (OTC) medications and supplies for Flexible Spending Accounts (FSAs).

The Internal Revenue Service (IRS) allows FSA reimbursement for certain OTC items. To confirm whether or not an item is allowable before it’s purchased, you may contact Meritain Health toll free at 1.800.748.0003 or visit www.irs.gov.

Important note: As of January 1, 2011, OTC items that contain a medication or drug are no longer eligible for reimbursement through your FSA without a doctor’s prescription. This requirement will take place based on the date the items are purchased, not your plan year. In other words, you must first obtain a prescription for any OTC medications or drugs in order to obtain reimbursement from your FSA, regardless of when the plan year ends. OTCs that do not contain medications or drugs will not require a prescription.

In order for the OTC medicine and/or drug to qualify as a prescription, there must be a written or electronic order that meets the legal requirements of a prescription in the state in which the medical expense is incurred. Also, that the prescription must be issued by an individual who is legally authorized to issue a prescription in that state.

How do I know which OTCs will require a prescription?

OTCs that will require a doctor’s prescription include, but are not limited to the following:

- Acid controllers
- Allergy and sinus
- Antibiotic products
- Anti-diarrheals
- Anti-gas
- Anti-itch and insect bite
- Antiparasitic treatments
- Aspirin, ibuprofen, pain relief
- Baby rash ointments/creams
- Bandages that contain antibiotic ointment
- Cold sore remedies
- Cough, cold and flu
- Digestive aids
- Hemorrhoidal preps
- Laxatives
- Motion sickness
- Respiratory treatments
- Sleep aids and sedatives
- Stomach remedies
- Baby rash ointments/creams
- Bandages that contain antibiotic ointment
- Cold sore remedies
- Cough, cold and flu
- Digestive aids
- Hemorrhoidal preps
- Laxatives
- Motion sickness
- Respiratory treatments
- Sleep aids and sedatives
- Stomach remedies

Please note: The above list contains examples of certain items and should not be considered a full listing.

Can I still use my benefits debit card for OTC purchases?

Yes, you may still purchase OTC medications and drugs with your debit card as long as you present your prescription to the pharmacist at the time of purchase. The pharmacist will need to run it through their system as they would any other prescription, assign an Rx number and otherwise meet all IRS guidelines required for debit card use. If you are unable to use your debit card at a particular pharmacy, you must pay out of pocket at the point of sale and then submit a manual claim requesting reimbursement. Please visit www.IRS.gov for further details regarding IRS stipulations.

Here are some helpful tips:

- You can continue to use your FSA funds to purchase OTC items that do not contain a medicine or drug (for example: bandages without antibiotic ointments, splints, cold/hot packs, rubbing alcohol, thermometers, etc.).
- Insulin may continue to be reimbursed with or without a prescription.
- You may only carry over up to $500 of FSA dollars, so remember to consider these new OTC regulations when estimating the dollar amount you put in your FSA for the next plan year.
FSA Reimbursement Made Easy!

The IRS requires proof that you received medical services before claims can be reimbursed by your Flexible Spending Account (FSA). Follow these guidelines to receive prompt payment:

Submit a completed and signed FSA claim form with these attachments...

A copy of the Explanation of Benefits (EOB). All claims must be submitted to your insurance company or healthcare plan before you request FSA reimbursement. 

Estimates for services that haven’t been received can’t be accepted.

OR

A receipt for copays
- Your office visit copay receipt must show the amount paid and the date of service.
- Your prescription drug copay receipt must show the name of the drug, amount paid, the date of purchase and the name of the patient.

Credit card receipts, cancelled checks or cash register receipts can’t be accepted for copays.

OR

Over-the-counter (OTC) items.
- Itemized cash register receipts are acceptable for OTC items/supplies that do not contain a medicine or drug.
- If the OTC item contains a medicine or drug, you will need to submit a cash register receipt as well as a doctor’s prescription.
- A customer receipt issued by a pharmacy that identifies the name of the purchaser (or the name of the person to whom the prescription applies), the date and amount of the purchase, and an Rx number.

OR

An itemized statement from your healthcare provider if you don’t have insurance coverage (for example, for dental or vision services).

Special note on orthodontic care.
With your first FSA claim, submit a copy of the following: the orthodontic contract or signed financial agreement; banding date; a signed FSA claim form; and proof of down payment. For future claims, you will only need to submit a signed FSA claim form along with proof of payment.

Claim submission.
Mail FSA claim forms and attachments to:

Meritain Health
P.O. Box 30111
Lansing, MI 48909

Or fax to:
1.888.837.3725

Prescriptions for OTCs.
In order to obtain FSA reimbursement for OTCs that contain a medicine or drug, you must first obtain a prescription from your doctor.

Make sure the OTC prescription includes the following:
- Patient name
- Name of the OTC item
- Date prescribed (the prescription will be valid for one year from this date)

### FSA Worksheet and Eligible Expenses Guide

**Estimating Your Healthcare Expenses.**

The planning worksheet below can help you estimate your eligible healthcare expenses that may not be covered under your company's group insurance plan. Remember, all eligible healthcare expenses for you, your spouse and your eligible dependents are reimbursable from your Healthcare FSA.

* Allowed for treatment of physical or mental disorder (e.g., depression, alcohol or drug treatment). A diagnosis is necessary for reimbursement.

### Examples of costs your Healthcare FSA may cover:
- Copays, deductibles, and out-of-pocket costs
- Acupuncture as a treatment
- Certain alcoholism and drug addiction treatment costs
- Artificial teeth or dentures
- Braille books for visually impaired
- Certain residential improvements to accommodate the disabled
- Eye examinations, contact lenses (including cleaning and maintenance supplies) and eyeglasses
- Guide dogs for sight or hearing impaired persons
- Car controls for disabled drivers
- Hypnosis to treat illness
- Lead-based paint removal
- Learning disability tuition/therapy
- Psychological or psychiatric care
- Nursing home expenses
- Certain medical transportation

Important note! Reimbursement for certain services listed above is subject to specific requirements. Call the IRS toll free at 1.800.829.3676, or visit [www.irs.gov](http://www.irs.gov), to obtain a copy.
Dependent Care FSA Determination

Dependent Care Tax Credit vs. Dependent Care Flexible Spending Account.

If you have qualifying dependent care expenses, you may be able to choose one or both of two ways to reduce your taxes. You may be able to obtain a tax credit (a direct reduction in the amount of taxes you otherwise would owe) or you may be able to reduce your taxable income. This worksheet will help you decide which is better for you.

If you qualify for the tax credit, you are allowed to deduct from the taxes you owe a percentage of the lesser of (1) your actual qualifying dependent care expense or (2) $3,000 if you have one dependent or $6,000 if you have two or more dependents. The percentage is based on your adjusted gross income for the year. The chart to the right will help you determine your percentage.

In lieu of the Dependent Care Tax Credit, each year you may elect to have an amount deducted from your paycheck before taxes and put into your Dependent Care FSA. This amount must be used during the year for qualifying dependent care expenses. In other words, you will not have to pay taxes on the amount you contribute to the Dependent Care FSA that is used to pay your qualifying dependent care expenses. If, however, either you or your spouse has Earned Income (as defined in the plan) of less than $5,000, your income exclusion will be limited to the amount of that Earned Income.

Use the following worksheet to determine whether you should use the Dependent Care Tax Credit or the Dependent Care Flexible Spending Account. Remember to compare your actual dependent care expenses to $3,000 (for one dependent) or $6,000 (for two or more dependents). Take the lesser amount from this comparison and multiply it by your adjusted gross income percentage from the chart. This will be your tax credit.

<td></td>
</tr>
</tbody>
</table>

* The actual tax rate will vary depending upon your annual income. Estimate your own tax liability or check with your tax consultant.

**Eligible Expenses:**

- Fees paid to a childcare center or to a day care camp that, if providing care for more than six children, complies with all state and local regulations
- Fees paid to a babysitter inside or outside the home
- Fees paid to a relative who provides dependent care services, other than your spouse, to your child (on the last day of the calendar year) or to a dependent you claim for federal income tax purposes
- Legally mandated taxes paid on behalf of the provider

**Ineligible Expenses:**

- Transportation to and from the place where dependent care services are provided
- Food, clothing and education
- Expenses for which federal child care tax credits are taken, or are claimed under your Healthcare FSA
- Overnight camps
- Tuition

Provider Signature: ____________________________________________________________________________ Provider SSN# or Tax ID: __________

Signature not required if signed receipt or Day Care Center statement is attached. Altered receipts cannot be accepted.

I certify that I have actually incurred these eligible expenses. I understand that expense incurred means that the service has been provided that gave rise to the expense, regardless of when I am billed or charged for, or pay for the service. The expenses have not been reimbursed or are not reimbursable from any other source. I understand that any amounts reimbursed may not be claimed on my or my spouse’s income tax returns. I have received and read the printed material regarding the reimbursement accounts and understand all of the provisions.

Employee Signature: ___________________________________________ Date: __________________
Guidelines for Reimbursement

NOTE: Incomplete or illegible submission may result in processing delays. Be sure to include all necessary information, sign and date form. Please make copies for your records, as these documents will not be returned. If you fax your claim, keep the original.

Health Flexible Spending Account

- Attach a copy of the Explanation of Benefits (EOB) for each submission. All claims MUST be submitted to your insurance company prior to request for reimbursement. Estimates for services that have not yet been incurred cannot be accepted.
  
  OR

- Submit a paid receipt for your co-payments. Credit card receipts, canceled checks, or cash register receipts cannot be accepted for copayments. Itemized cash register receipts are acceptable for over-the-counter (OTC) items/supplies that do not contain a medicine or drug. If the OTC item does contain a medicine or drug, you will need to submit a cash register receipt as well as a doctor’s prescription.
  
  OR

- If you do not have insurance coverage, submit an itemized statement from the provider showing the provider’s name and address, patient name, date and description of service and amount charged. Additionally, prescription expenses must include the drug name or number. Balance forward or paid on account statements cannot be accepted.

- Orthodontic reimbursement: For first request, submit a copy of the Service Agreement or contract itemizing the treatment period, down payment, monthly payment, banding date and amount covered by insurance, if any. For subsequent claims, submit a copy of your monthly payment coupon and/or itemized receipt each time you request reimbursement.

Dependent Care Reimbursement Account

- Expenses submitted must have been incurred for the care of a “qualifying individual” for the purpose to be gainfully employed.
- A qualifying individual is (i) a dependent of yours under age 13, (ii) a dependent of yours (or your spouse) who is incapable of caring for himself/herself.

Medical and Dental Expenses Generally Eligible for Reimbursement

(Source: IRS Tax Publication 502)

You Should Claim

- Fees for health services or supplies provided by physicians, surgeons, dentists, ophthalmologist, optometrists, chiropractors, podiatrists, psychiatrists, psychologists, or Christian Science practitioners
- Acupuncture
- Fees for hospital, ambulance, laboratory, surgical, obstetrical, diagnostic, dental and X-ray services
- Costs incurred, including room and board, during treatment for alcohol or drug addiction at a hospital or treatment center
- Special equipment, such as wheelchairs, special handicapped automotive controls, and special phone equipment for the deaf
- Special items, such as dentures, contact lenses, eyeglasses, hearing aids, crutches, artificial limbs and guide dogs for the vision or hearing impaired
- Transportation for needed medical therapy
- Nursing services
- Rehabilitation expenses

You Should NOT Claim

- Any items which will be paid for by insurance or for which you are reimbursed by insurance or any other health plan
- Bottled water
- Health club dues
- Any illegal operation or treatment
- Programs to control weight (unless the program is undertaken at a physician’s direction to treat an existing illness, including obesity)
- Elective cosmetic surgery
- Medical insurance premiums paid outside of your company by you or your spouse at his or her place of employment
- Nursing care for a normal, healthy baby
- Maternity clothes
- Burial expenses
