# Financial Aid

### 2017-18 Consortium Agreement

If you are a degree-seeking student at Saint Mary's College and plan to attend another college/university or a study abroad program through another college/university, the following steps must be completed in order to receive federal and state financial aid.

NOTE: Financial aid funds that are in excess of the tuition and fees will be refunded to you no earlier than the first week of class. Therefore financial aid funds may not be available to pay some study abroad pre-departure costs, such as the program deposit, plane ticket, visa and/or passport application fees, etc.

- 1. If you have not already done so, complete the 2017-18 Free Application for Federal Student Aid (www.fafsa.gov).
- 2. If your parent will apply for a Federal Direct Parent PLUS Loan, your parent should initiate the PLUS application process at least four weeks prior to the beginning of your program. Parents can begin the PLUS application process by referring to our web page at <a href="https://www.saintmarys.edu/financial-aid/aid-opportunities/loans/direct-parent-plus">www.saintmarys.edu/financial-aid/aid-opportunities/loans/direct-parent-plus</a>
- 3. All four sections of the attached *Consortium Agreement* must be completed. **Allow four weeks prior to** the beginning of your program for completion of this agreement.
  - **Section I** Completed by the student. Provide all the required information and sign the agreement.
  - **Section II** If any courses will be used to meet your major degree requirements, you will need to obtain the approval of your department chair. In addition, the associate dean for advising must approve all courses for transfer credit and sign this section.
  - **Section III** Completed by the host institution. You must send the *Consortium Agreement* to the host (visited) institution so they can complete Section III. We ask that you follow up with the host institution to verify the completion of your paperwork. Once the host institution completes Section III, the agreement should be sent to the Financial Aid Office at Saint Mary's College.
  - **Section IV** Completed by Saint Mary's College. The Financial Aid Office will complete Section IV and sends a copy of the completed agreement to the host institution.
- 4. If you will not be easily accessible because of the location of your program, you should arrange for an appropriate person to have power of attorney to sign your paperwork. Make sure your host institution knows how to reach you by mail.
- 5. Send the Financial Aid Office at Saint Mary's College a copy of your scheduled classes and the number of registered credit hours at the host institution, or arrange to have the host institution confirm your registered classes in writing to our office. CONFIRMATION OF CLASSES MUST BE RECEIVED BEFORE ANY FUNDS WILL BE RELEASED. If we do not receive this document, you will then be responsible for clearing your fees with the host institution to avoid cancellation of classes and/or late fees. Funds will be released in accordance with Saint Mary's College's disbursement schedule.
- 6. You must notify the Financial Aid Office at Saint Mary's College of any changes in your enrollment status, including withdrawing from all courses or substitution of approved courses.
- 7. Failure to complete this *Consortium Agreement* will prevent the release of funds.
