Saint Mary's College ranks among the top 100 Best National Liberal Arts Colleges for 2016 published by U.S. News & World Report.

Dear Family, Friends, and Prospective Student-Athletes,

Aligned with the NCAA Division III philosophy, Saint Mary's College athletics is focused on the support of our student-athletes as they immerse themselves in the college experience. We expect our women to pursue the full spectrum of opportunities available to them over their four years with us. They are students first. They have enrolled in college to earn an academic degree. With this focus in mind, our student-athletes are afforded the same classroom experiences and opportunities as their peers here at Saint Mary's College.

Their choice to participate in athletics is a wise one that only enhances their educational experience. Through sport, student-athletes learn how to lead and take initiative as well as how to work as a member of a team. They learn to set goals and work through the process of accomplishing those goals. If they fall short, they know how to re-evaluate, and if necessary, strategize a new route to success — they do not give up. Student-athletes are masters of time management. They know how to give and take feedback. In short, participation in sports provides the opportunity for athletes to practice skills that will help them to succeed in life.

And they do succeed! Besides the athletic accolades you will read about on our website and in this media guide, you will also see that several of our student-athletes have even been recognized with the highest honors bestowed upon our graduates.

Participation in athletics is a rich and rewarding experience. Teammates become lifelong sisters. I invite you to look through this media guide and read about the challenges and triumphs of our student-athletes and coaches. Prospective student-athletes, I encourage you to visit our campus. Meet with our coaches, shadow a current student-athlete, and ask questions to learn if Saint Mary's could be a fit for you. Follow your passions and discover your potential at Saint Mary's College.

Once a Belle, always a Belle,

Julie Schroeder-Biek '88
Director of Athletics and Recreation

The mission of the Department of Athletics and Recreation at Saint Mary's College is to provide a comprehensive program designed to be a vital part of the total educational process. The basic purpose is to integrate an intercollegiate athletic program, intramural, club sport, and personal fitness opportunities so our students develop a lifelong appreciation of one's mind, body, and spirit through exercise and participation.

Poised to Make a Run

Coming off of a strong spring season, the Saint Mary's golf team is poised to make a run for the top spot in the MIAA during the 2016-17 year. Ali Mahoney '17, Courtney Carlson '17, Kelsey Conkright '18, Kaitlyn Cartone '18, and Taylor Kehoe '19 all made contributions to the team's success a season ago and will be looked upon to lead the way in the year ahead.

Mahoney and Carlson return as leaders both on and off the course for the Belles. The pair served as team captains during their junior year, and both were consistent scorers for the team last year. Mahoney, a three-time All-MIAA honoree, and Carlson competed in each of the team's rounds in 2015-16 while each posted better than an 85.0 scoring average.

Conkright and Cartone emerged as strong contributors during their sophomore season. Conkright continued to improve throughout the year to become a regular in the scoring lineup for the Belles last spring. Cartone had one of the team's best scoring averages last fall before spending the spring semester studying abroad in Rome.

Kehoe is coming off a stellar first year with the Belles golf program after leading the team in scoring average during her freshman season. In the final round of the spring, she tied a conference course record while turning

in the team's lowest round of the year with a 75 as the team won the final MIAA NCAA Qualifying Round of the year.

Away from the course, golf student-athletes have had a full range of experiences at Saint Mary's. Ali Mahoney studied abroad in the College's Rome Program during her sophomore year. While there, she had the opportunity to give the Palm Sunday Mass reading in front of St. Peter's Basilica before a crowd from all over the world. Cartone spent the Spring 2016 semester in Rome, and Conkright is involved in the Saint Mary's band.

Additionally, the golf team has earned a wide range of recognition for their academic success. Katie Zielinski '16 and Kelsey Conkright earned their second consecutive WGCA All-American Scholar honor for maintaining a cumulative GPA of 3.5 or above while playing a minimum of 12 rounds last year.

In the past 13 seasons of conference play, eight Belles have earned MIAA Season Medalist honors by posting the lowest scoring average in the fall portion of conference play. Moreover, Saint Mary's golfers have recorded six of the eleven lowest all-time MIAA season stroke averages among league medalists. The most decorated of any team in the past 19 years of Saint Mary's athletics, the team has had 29 student-athletes named to an All-MIAA squad 47 times since 1999 and boasts six All-Americans since 2003.

VIBRANT COMMUNITY

FACULTY ADVISORS

Each varsity team has a faculty advisor who serves as a liaison between athletics and our academic departments. Our faculty advisors support our student-athletes in a variety of ways. They are available to discuss schedule planning and choosing a major while also mentoring student-athletes facing academic challenges. They attend competitions, team meetings, and banquets.

NCAA STUDENT-ATHLETE AFFAIRS (SAA)

SAA assists student-athletes with success outside of the athletic arena through monitoring academic progress and mentoring individuals as needed. SAA also hosts the annual CHAMPS (Challenging Athletes' Minds for Personal Success) Cup competition to encourage individual growth while fostering athletic unity. Each of the eight varsity teams earn points through achievement, participation, and/or attendance in a variety of venues: academic achievement, personal development, career development, community service, and Belles spirit.

EMPOWERING LEADERS

STUDENT-ATHLETE ADVISORY COMMITTEE (SAAC)

The NCAA adopted the idea to have an association-wide Student-Athlete Advisory Committee.

The mission of the committee is to enhance the total student athlete experience by promoting opportunity, reviewing legislation, protecting student-athlete welfare, and fostering a positive student-athlete image.

At Saint Mary's, the SAAC goes above and beyond the call to serve as a liaison between athletes and the athletic administration. Each year the athletic teams perform on- and off-campus community service projects while supporting organizations.

FOSTERING EXCELLENCE

ATHLETE OF THE WEEK

Saint Mary's College honors outstanding student-athletes each week. At the end of the academic year, all of our Athlete of the Week recipients are recognized for their accomplishments at a reception in which they have the opportunity to invite a professor or staff member who has influenced them.

ATHLETIC HALL OF FAME

In 1993 former Athletic Director Dr. JoAnn Nester created the Saint Mary's College Athletic Hall of Fame to recognize outstanding Saint Mary's athletes, coaches, and athletic administrators for their numerous contributions to Saint Mary's athletics. Since the inception of the Hall of Fame, 32 individuals and four teams have been inducted.

SENIOR AWARDS RECEPTION

Each spring the Athletic Department honors its senior student-athletes at a special recognition reception. In addition to each senior athletes receiving a watch to commemorate their athletic careers, a select few seniors are recognized with special awards, including the Don Miller Belles Spirit Award and the Marvin Wood Outstanding Senior Athlete Award.

DISTINGUISHED HONORS

Outstanding Senior Award. Lumen Christi Award. Valedictorian. Our student-athletes have been recognized with these special honors. The College's Alumnae Association Board of Directors presents the Outstanding Senior Award to a member of the senior class who exemplifies the spirit and values of Saint Mary's. The Lumen Christi Award is bestowed upon the senior who stands out in the College community as an exemplary Christian woman. The recipient of the award is traditionally someone who has excelled in leadership and loyalty to Saint Mary's and whose presence has had a profound effect on the College community.

BIG SISTERS PROGRAM

The Big Sisters program helps acclimate first-year Belles to the demands of being a collegiate student-athlete, brings awareness to campus resources, personnel, and tools to help Belles succeed, and connects them with their peers in the athletic department.

MIAA AND NCAA INFORMATION

MIAA HISTORY

Compete for championships. Create a legacy. Rewrite the history books. Those opportunities and more are what await when competing for the Belles in the Michigan Intercollegiate Athletic Association (MIAA). America's oldest collegiate athletic conference, the MIAA conducts full-season championships in 22 sports for men and women. Affiliated with NCAA Division III, the conference provides our student-athletes with the opportunity to compete for championships at the MIAA level and beyond. Learn more at miaa.org.

Many forms of communication through social media, however, have restrictions. Two of the more popular social media platforms – Facebook and Twitter – are permissible only as follows:

Facebook: NCAA Division III coaches are allowed to private message prospective student-athletes. Coaches are not allowed to engage in chat functions, group messages, posts on a prospective student-athlete's wall, "like" or "comment" on a photo, or send/accept friend requests with prospective student-athletes.

Twitter: NCAA Division III coaches can have a prospective student-athlete follow them as well as direct message. Coaches are not allowed to follow prospective student-athletes, re-tweet a prospective student-athlete, or tweet using a prospective student-athlete's handle.

NCAA DIVISION III

To read more on how Saint Mary's exemplifies what it means to be Division III, please visit: saintmarys.edu/Athletics
Rules about recruiting prospective student-athletes at a Division III institution include, but are not limited to the following:

- + A Prospective Student-Athlete (PSA) is a student who has started classes for the ninth grade.
- + There are no restrictions on the timing of providing recruiting materials, sending letters, or making phone calls to a PSA. The PSA may also make calls to the coach at their own expense.
- + Electronically transmitted communication, particularly through the means of social media, has many regulations as it pertains to NCAA Division III athletics. Text messages, emails, instant messenger, and social networking sites are all approved means of communication as long as the communication is private between the sender and recipient.

Additionally, there is now an NCAA Division III standardized Celebratory Signing Form available to accepted student-athletes. Contact the director of athletics at jsbiek@saintmarys.edu for more information.

Team IMPACT is an organization that improves the quality of life for children facing life-threatening and chronic illnesses by matching them with local college athletic teams. Through these pairings, the organization has successfully enhanced the lives of hundreds of these courageous kids and positively impacted thousands of athletes' lives across the country.

Saint Mary's is a proud partner of Team IMPACT and has added three young athletes to our athletics programs.
