Exclusions and Other Limitations This highlights policy exclusions and limitations, see the policy for a full list.

- The plan does not cover services started before coverage begins or after it ends. Benefits are limited to those appropriate and necessary procedures listed in the policy and any additional procedures required by state law. Benefits are not payable for duplication of services. Covered expenses will not exceed the policy's usual and customary allowances.
- Plan benefits are not payable for a condition for which the claimant is eligible for benefits under worker's compensation or a similar law; are attributed to employment, military service; or are related to self-inflicted injury, involvement in an illegal occupation, felony, or riot.
- If benefits for orthodontia are included, the plan does not cover any treatment plan started before coverage begins or during the benefit waiting period unless the member was receiving orthodontia benefits from this employer's previous group dental policy. In that case, Lincoln Financial will continue orthodontia benefits until the combined benefit paid by the two policies is equal to this policy's lifetime orthodontia. Plan benefits are not payable if the orthodontic appliance was installed after the age of 19.
- Alternative benefits provision: In certain situations there may be more methods of treating a dental condition. Your policy includes an alternative benefits provision that may reduce benefits to the lowest cost, generally effective and necessary form of treatment.
