This plan is designed to provide high quality dental care while managing the cost of the care. To do this, you are encouraged to seek dental care from Dentists who have signed a contract with the dental network being offered by the Policy. These Dentists are called Participating Dentists.

Use of a Participating Dentist is voluntary. You may receive treatment from any Dentist you choose. And you are free to change Dentists at any time. But, your out-of-pocket expenses for covered services are usually lower when the services are provided by a Participating Dentist.

A Directory of Participating Dentists is available from your Employer. Information about Participating Dentists is included on your ID card. When you enroll Eligible Dependents, two ID cards will be provided.

When using a Participating Dentist, you must present the ID Card. Most Participating Dentists prepare the necessary claim forms, and submit them to the Company for you. Benefits are based on the terms of the Policy.

It is the Covered Employee's responsibility to verify whether the Dentist is a Participating Dentist at the time of service. Participating Dentists are independent contractors; they are not employees or agents of the network or the Company. If Covered Expenses are Incurred outside the United States, the U&C allowance will be the amount that would be allowed for that procedure if it had been performed at the Company's Group Insurance Service Office in Omaha, Nebraska.

U&C allowances may be higher or lower than the fees charged by a Dentist. U&C is not an indication of the appropriateness of the Dentist's fee. Instead, U&C is a variable plan provision used to determine the extent of coverage provided by the Policy.

Your accumulated leave for military service may not exceed 5 years; except as provided by federal law.

DENTAL EXPENSE BENEFITS

BENEFIT. The Company will pay Dental Expense Benefits if a Covered Person incurs Covered Expenses in excess of the Deductible during a Calendar Year. The Company will pay the Percentage Payable shown in the Schedule of Benefits for that type of service; provided any Benefit Waiting Period is satisfied. Benefits will be paid up to the Maximum shown in the Schedule of Benefits for each Covered Person.

BENEFIT DETERMINATION. The amount of benefits payable for Type 1, 2 and 3 Procedures will be determined as follows:

- (1) Dates of service are reviewed and categorized by:
 - (a) services prior to effective date;
 - (b) services after termination date; and
 - (c) covered services by benefit period or calendar year.
- (2) Each procedure, service or supply is evaluated to ensure that it qualifies as a Necessary Dental Procedure which is determined to be Professionally Adequate under the terms of the Policy.
- (3) Covered Expenses are determined, and are reduced by any unmet Deductible amount.
- (4) Then, each remaining expense for each covered service is multiplied by the Percent Payable for that type of service, to determine the Dental Expense Benefits payable, subject to Policy provisions, maximums, limitations and exclusions.

Benefits for Covered Expenses are based on Dental Necessity. Services which are determined to be not Necessary are not covered by this Policy, even if they are recommended or provided by a Dentist.

DEDUCTIBLE. The Deductible shown in the Schedule of Benefits is the amount of Covered Expenses which must be incurred before benefits are payable. The Deductible applies separately to the Covered Expenses Incurred by each Covered Person. Benefits will be based on those Covered Expenses which are in excess of the Deductible.

After Covered Expenses Incurred by all covered family members combined exceed the Family Deductible shown in the Schedule of Benefits, no additional Covered Expenses will be applied toward the Deductible in that Calendar Year.

BENEFIT WAITING PERIODS. The Benefit Waiting Periods are shown on the Schedule of Benefits pages of this Certificate.

LATE ENTRANT LIMITATION PERIODS. The Late Entrant Limitation Periods are shown on the Schedule of Benefits pages of this Certificate.

ALTERNATIVE PROCEDURES

There may be two or more methods of treating a dental condition. The amount of Covered Expense will be limited to the charge for the least costly procedure or treatment which:

- (1) the dental profession recognizes to be Professionally Adequate, in accord with generally accepted practices of dentistry; and
- (2) the Company determines to be both Adequate and Appropriate, in view of the Covered Person's total current oral condition.

To determine its liability for a dental procedure submitted for consideration, the Company may request the pre-operative dental x-rays and any other pertinent information. Based on its review of this information, the Company will decide which procedure would provide Professionally Adequate restoration, replacement or treatment.

The Covered Person may receive the more expensive procedure or treatment. However, the Company's liability for Covered Expense will be limited to the least expensive procedure which it determines to be Professionally Adequate care.

To find out in advance what charges or alternative procedures will be considered Covered Expenses, you may use the Dental Claim Procedure for Predetermination of Benefits, described in the Policy.

DENTAL EXPENSE BENEFITS ORTHODONTICS FOR CHILDREN

BENEFITS FOR TYPE 4 SERVICES. The Company will pay Dental Expense Benefits for Orthodontic Treatment if a covered Dependent Child:

- (1) begins Orthodontic Treatment while covered for Type 4 services (Orthodontics), under the Policy; and
- (2) incurs Covered Expenses for Orthodontic Treatment after any Benefit Waiting Period or Late Entrant Limitation Period is satisfied; and
- (3) for a covered Dependent child, has the orthodontic appliance initially installed prior to age 19.

The Company will pay the Percentage Payable shown in the Schedule of Benefits for Type 4 services.

Benefits will be paid up to the Maximum shown in the Schedule of Benefits during the covered Dependent Child's lifetime; but only for Covered Expenses Incurred while covered under the Policy.

The Lifetime Maximum will be reduced, on a prorated basis, for orthodontic treatment received before the Dependent Child was covered for Type 4 services, including services received while the Dependent Child was in a Benefit Waiting Period or Late Entrant Limitation Period.

BENEFIT WAITING PERIOD. The Benefit Waiting Period for Type 4 services (Orthodontics) is shown on the Schedule of Benefits page. Benefits for Type 4 services begun before, or received during, this Benefit Waiting Period will not be payable.

LATE ENTRANT LIMITATION PERIOD. The Late Entrant Limitation Period for Type 4 services (Orthodontics) is shown on the Schedule of Benefits page. Benefits for Type 4 services begun before or received during this Late Entrant Limitation Period will not be payable.

BENEFIT PAYMENTS. Orthodontic Treatment is assumed to be provided in accord with a Treatment Plan.

- (1) Covered Expenses will be based upon the estimated cost and duration of the Treatment Plan; and
- (2) Benefit payments will be pro-rated over the expected duration of the Treatment Plan, as long as the Dependent Child remains covered by the orthodontic benefit provision of the Policy, subject to the Lifetime Maximum for Type 4 Procedures shown on the Schedule of Benefits.

TREATMENT PLAN means a related series of orthodontic services prescribed by a Dentist to correct a specific dental condition.

PREDETERMINATION OF BENEFITS. To find out in advance what benefits will be payable for orthodontic treatment, see the Dental Claims Procedure for Predetermination of Benefits.

COORDINATION OF DENTAL EXPENSE BENEFITS

EFFECT ON BENEFITS. If you or your Dependent is covered by another Plan, the Dental Expense Benefits under the Policy and benefits under the other Plan(s) will be coordinated for the Claim Period. The Order of Benefit Determination Rules on the next page decide which Plan pays first.

- (1) **Primary Benefits.** When this Plan must pay its full benefits first, the Dental Expense Benefits under this Certificate will be paid as if the other coverage did not exist.
- (2) **Secondary Benefits.** When another Plan must pay its full benefits first, the Dental Expense Benefits under this Certificate:
 - (a) will be calculated as if the other coverage did not exist; and then
 - (b) will be reduced so that total benefits, from all Plans combined, will not exceed 100% of the Allowable Expenses incurred by the Claimant during that Claim Period.

Benefits will be coordinated with any benefit amounts that would be payable for the Allowable Expenses under the other Plan(s), whether or not claim is actually made. When this Plan's benefits are reduced, each benefit is reduced in proportion. Then, the reduced benefit payments are applied towards the Maximums of this Plan.

DEFINITIONS. The following definitions apply only to this coordination provision.

"Plan" means any group insurance or group type coverages (whether insured or uninsured), which provide medical or dental care benefits or services. This includes but is not limited to:

- (1) Blue Cross and Blue Shield plans;
- (2) blanket (other than school accident coverage) and franchise insurance plans;
- (3) Health Maintenance Organization (HMO) and Dental Maintenance Organization (DMO) plans; and
- (4) other prepayment, group practice and individual practice plans.

It also includes any coverage under a government medical or dental plan required or provided by law; except Medicaid. This Plan must pay its benefits before Medicaid pays. Coordination with Medicare will be in accord with federal law.

Each of the above coverages is a separate Plan. If an arrangement has two or more parts, and its coordination provision applies only to some benefits or services; then each part is a separate plan.

"Allowable Expense" means any necessary, Usual and Customary expense for dental care, which is at least partly covered under at least one of the Plans covering the Claimant. When a Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered during the Claim Period will be considered Allowable Expense.

"Claimant" means you or your Dependent for whom claim is made.

"Claim Period" means a calendar year (or part of a calendar year) during which the Claimant has been covered under the Policy.

ORDER OF BENEFIT DETERMINATION RULES. To decide which Plan pays first, the Company will use the first of the following rules which applies.

- (1) **Noncoordinated/Coordinated Plan.** A Plan without a coordination provision will pay its benefits before a Plan which includes a coordination provision.
- (2) **Nondependent/Dependent.** A Plan covering the Claimant as an employee, member or subscriber will pay its benefits before a Plan covering the Claimant as a dependent.
- (3) **Child of Parents Not Separated or Divorced.** If the Claimant is a dependent child whose parents **are not** separated or divorced, the Plan of the parent whose birthday falls earlier in the calendar year will pay first. However:
 - (a) if both parents have the same birthday, the Plan which has covered the parent longer will pay first; and
 - (b) if the Plan coordinates benefits based upon the sex of the parents, the male parent's plan will pay first.
- (4) **Child of Separated or Divorced Parents.** If the Claimant is a dependent child whose parents **are** separated or divorced, then:
 - (a) the Plan of the parent who is required by court decree to pay the child's dental expenses will pay first;
 - (b) provided the Plan receives notice of the court decree before paying or providing benefits.

If there is no notice of a court decree requiring payment of such expense, then:

- (a) the custodial parent's Plan pays first;
- (b) the Plan of the custodial parent's spouse pays next (if the custodial parent is remarried); and
- (c) the noncustodial parent's Plan pays last.

When a noncustodial parent is responsible for the Claimant's dental expenses, benefits may be paid directly to the provider, if the custodial parent requests this.

- (5) **Active/Inactive Employee.** A Plan covering the Claimant as a laid off or retired employee (or a dependent of such an employee) will pay after a Plan covering the Claimant on some other basis; provided the other Plan:
 - (a) includes this coordination rule for laid off or retired employees; or
 - (b) is issued in a state which requires this rule by law.A Plan covering the Claimant pursuant to federal COBRA Continuation law will pay after a Plan covering the Claimant as an employee (or a dependent of an employee).
- (6) **Length of Coverage.** If none of the above rules apply, then the Plan which has covered the Claimant longer will pay first.

RIGHT TO EXCHANGE DATA. To determine the benefits payable under this section, the Company has the right to exchange information with any insurance company, organization or person. Such data may be exchanged without the consent of (or any notice to) you or your Dependent. When you claim benefits under the Policy, you must provide the Company with the data required to apply this Section.

PAYMENT AND OVERPAYMENT. Other Plans may make payments which this Plan should have made in accord with this Section. In that event, the Company has the right to reimburse any amount it deems necessary to satisfy the intent of this Section. If the Company pays such benefits to an organization in good faith, it will not be liable to the extent of the payment.

The Company also has the right to recover any overpayment it makes because of coverage under another Plan. The Company may recover the amounts needed to satisfy the intent of this Section from any insurance company, organization or person to or for whom Policy benefits were paid.

- (1) as soon as reasonably possible; and
- (2) in no event more than one year after it was required.

These time limits will not apply while the claimant lacks legal capacity.

PHYSICAL EXAMS. While a dental claim is pending, the Company may have you or your covered Dependent examined:

- (1) by a Physician or Dentist of its choice;
- (2) as often as is reasonably required.

Any such exam will be at the Company's expense.

- (1) the 46th day after the Company receives the first proof of claim in writing; or

A claim is considered "clean" when the first proof of claim is complete; no part of the claim is contested; and no other defect prevents prompt payment. A claim will also be considered "clean" when the insurer fails to promptly request more information or to resolve it, within 45 days after receiving a written claim or 30 days after receiving an electronic claim.

CLAIM PROCEDURES (Continued)

A claim is considered "defective" when the first proof of claim is incomplete; any part of the claim is contested; or some other defect prevents prompt payment.

- (1) benefits have been assigned;
- (2) an overpayment has been made and the Company is entitled to reduce future benefits; or

 - (a) denied because the service is not considered a Necessary Dental Procedure; or
 - (b) reduced in accord with the Alternative Procedures provision;
- (3) how you may request a review of the Company's decision; and
- (4) whether any more information is needed to support the claim.

This notice will be sent within 15 days after the Company resolves the claim. It will be sent within 30 days after the Company receives the first proof of claim, if reasonably possible.

Delay Notice. If the Company needs more time to process a claim, in a special case; then an extension will be permitted. In that event, the Company will send you a written delay notice:

The notice will explain:

- (1) the special circumstances which require the delay;
- (2) whether any more information is needed to decide the claim; and
- (3) when a decision can be expected.

If you do not receive a written decision within 45 days after the Company receives the first proof of claim; then there is a right to an immediate review, as if the claim was denied.

Exception: If the Company needs more information from you to process a claim; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

REVIEW PROCEDURE. Within 180 days after receiving a denial notice, you may request a claim review by sending the Company:

- (1) a written request; and

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, you must first seek two internal reviews of the adverse claim decision, in accord with the above provision. If you are an ERISA claimant and bring legal action under Section 502(a) of ERISA after the required review; then the Company will waive any right to assert that you failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any claim; then full reimbursement to the Company is required within 60 days. If reimbursement is not made; then the Company has the right to:

- (1) reduce future benefits until full reimbursement is made; and
- (2) recover such overpayments from any person to or for whom payments were made.

Such reimbursement is required whether the overpayment is due to:

- (1) the Company's error in processing a claim;
- (2) the claimant's receipt of benefits or services under another plan;
- (3) fraud or any other reason.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

DENTAL CLAIM PROCEDURE

- (2) the Dentist will list the proposed procedures and fees on the claim form and return it to the Company along with x-rays and diagnostic aids necessary to verify the need for the procedure; and

CERTIFICATE AMENDMENT

DOMESTIC PARTNER COVERAGE

The definition of a DEPENDENT is amended to include your Domestic Partner. Your Domestic Partner may be enrolled for Dependent coverage under the Policy, in the same manner as a Spouse.

DEFINITION. "Domestic Partner" means your partner, of the same or the opposite sex, when all of the following conditions are met:

1. Neither partner is under age 18; mentally incompetent; legally married to someone else; or related to the other by blood, to a degree that would bar legal marriage.
2. You are living together as each other's sole Domestic Partner; and you intend to do so indefinitely.
3. You are jointly responsible for each other's welfare and financial obligations, including basic living expenses.
4. You are in an exclusive, committed homosexual or heterosexual relationship with each other.

PROOF. To be eligible for Domestic Partner Coverage under the Policy, you and your Domestic Partner may be required to furnish one or more of the following:

1. driver's licenses or passports showing a joint residence;
2. canceled rent checks, a joint-tenancy lease or jointly-held mortgage;
3. federal income tax return(s) listing one as a dependent of the other;
4. titles to real or personal property, joint bank account statements or joint loans; or
5. any other evidence which the Company may reasonably request to show joint residency and joint financial responsibilities.

ELIGIBILITY. You become eligible for Domestic Partner Coverage on the latest of:

1. the effective date of this Domestic Partner Coverage amendment;
2. the date you become eligible for Personal Insurance under the Policy; or
3. the date you and your Domestic Partner begin living together as Domestic Partners.

You may then make written application for Dependents Insurance, in accord with the terms of the Policy.

TERMINATION. A domestic partnership may end due to a partner's death, change in residency or financial arrangements, or for other reasons. When your domestic partnership ends for any reason, you:

1. must give the Group Policyholder written notice within 30 days after the partnership ends; and
2. may not enroll a new Domestic Partnership for 6 months following that notice.

TAX AND LEGAL EFFECTS. You should seek your own counsel concerning the tax and legal effects of enrolling for Domestic Partner Coverage.

This amendment takes effect on the day your Policy coverage takes effect. In all other respects, your Certificate remains the same.

**NOTICE OF PROTECTION PROVIDED BY THE
INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA") and the protection it provides for policyholders. ILHIGA was established to provide protection to policyholders in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations. If this should happen, ILHIGA will typically arrange to continue coverage and pay claims, in accordance with Indiana law, with funding from assessments paid by other insurance companies.

Basic Protections Currently Provided by ILHIGA

Generally, an individual is covered by ILHIGA if the insurer was a member of ILHIGA and the individual lives in Indiana at the time the insurer is ordered into liquidation with a finding of insolvency. The coverage limits below apply only for companies placed in rehabilitation or liquidation on or after January 1, 2013.

Life Insurance

- \$300,000 in death benefits
- \$100,000 in cash surrender or withdrawal values

Health Insurance

- \$500,000 in basic hospital, medical and surgical or major medical insurance benefits
- \$300,000 in disability and long term care insurance
- \$100,000 in other types of health insurance

Annuities

- \$250,000 in present value of annuity benefits (including cash surrender or withdrawal values)
- \$5,000,000 for covered unallocated annuities

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to basic hospital, medical and surgical or major medical insurance benefits.

The protections listed above apply only to the extent that benefits are payable under covered policy(s). In no event will the ILHIGA provide benefits greater than those given in the life, annuity, or health insurance policy or contract. The statutory limits on ILHIGA coverage have changed over the years and coverage in prior years may not be the same as that set forth in this notice.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or variable annuity contract.

Statement of ERISA Rights

The following statement of ERISA rights is required by federal law and regulation. As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits. Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series), if any, filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), if any, and updated summary plan description. The administrator may make a reasonable charge for copies.

Receive a summary of the plan's annual financial report if the plan covers 100 or more participants. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries. In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights. If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions. If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.
