

**One and Five-Years-Out Survey of Graduates**  
**Class of 2011 and Class of 2015 Graduates**  
**Overall Executive Summary**

In the spring of 2016, Saint Mary's College administered a survey to alumnae who had graduated the previous year (Class of 2015) and five-years prior (Class of 2011). These alumnae were first sent an invitation to participate in the online version of this survey. A print mailing was then sent to those alumnae without email addresses and / or those who did not respond to the initial email survey. Of the 303 Class of 2015 graduates surveyed, 166 responded for a response rate of 54.8%. Of the 363 total Class of 2011 graduates surveyed, 198 surveys were completed for a response rate of 54.5%. The goal of these annual employment surveys is to better understand the outcomes of our graduates.
