A Hunger for Wholeness: Exploring the Inner-Outer Universe

Take time for an intellectual retreat on the beautiful campus of Saint Mary's College! Through illuminative lectures and question and answer time, keynote seminar speaker **Ilia Delio, OSF**, will examine the need for spiritual alignment with nature in an age of digital distractions. Building on her 2017 Madeleva Lecture manuscript titled, "A Hunger for Wholeness: Soul, Space and Transcendence," Sr. Ilia will explore the interior freedom humans possess and how this

affects our relationship to God's Trinitarian life. Additional speakers **John F. Haught** and **Heidi Russell** will address God's love acting in a world of dynamic change. Seminar participants will also enjoy meals and fellowship together, Eucharistic liturgies, and optional evening activities to nurture mind, body, and spirit. Books written by the speakers will be made available for purchase on-site.
