

2018 SUMMER CAMPS FOR GIRLS

FINE ARTS • SUMMER ACADEMY • ATHLETICS

About our summer camps

Saint Mary's College knows girls, their interests, and how they learn! It's our passion. For nearly 175 years, Saint Mary's has educated young women to develop their talents to make a difference in the world.

We've offered camps for girls since 1974. Our summer camps help young women build self-esteem, master new skills, make new friends, and experience the excitement of a college atmosphere.

Campers live in residence halls under the care and protection of counselors, instructors, and professional staff members.

Saint Mary's faculty and staff, as well as regional educators, provide instruction in campus classrooms, laboratories, studios, and on the courts.

Campers eat in the Noble Family Dining Hall with food prepared by Sodexo, the leading food services management company in North America. Tasty and nutritious options are available at each meal.

Visit saintmarys.edu/Dining for more information.

FINE ARTS

(girls entering grades 5-9)

July 8-13 • July 15-20

Girls, embark on a journey of self-discovery through creativity. Campers explore five disciplines:

- art
- creative writing
- dance
- music
- theatre

Campers also participate in a daily concentrated class focusing on one of these disciplines. On Friday, campers will present their work at the Performing Arts Forum for their friends and family.

Whether experienced in the fine arts or not, campers are welcome to enroll in Saint Mary's Fine Arts Camp. The only requirement is the desire to learn and join in the fun!

FINE ARTS

Art: Campers will experiment with distinct art forms such as painting, jewelry making, wearable art, paper art, and textiles. Whether sculpting, designing garments, or making friendship bracelets and angel wings, campers bring their own masterpieces to life inside professional art studios.

Creative Writing: Campers learn to express themselves on the page through unique exercises like reporting, writing ad jingles, poetry slams, monologues, or writing a love letter to a favorite food.

Dance: Each dance class has a distinct rhythm as campers develop skills in memory, musicality, and style. Students learn dance history and vocabulary while exploring ballet, jazz, and modern dance. The dance studio is complete with a sound system, mirrors, and a dance floor — an ideal space for students to express themselves through movement.

Music: Classes immerse campers in the basic elements of music. Past participants have created their own musical instruments, performed Broadway musical selections, and made the most of brooms and trash cans in their own version of the exciting musical show *Stomp*. Campers are invited to bring a musical instrument from home if they wish to share their talents.

Theatre: Character, voice, and movement provide the building blocks for campers to express their dramatic potential and develop performance skills and collaboration techniques through theatre games and group exercises. Classes are held on stage in the historic O'Laughlin Auditorium.

Saint Mary's College reserves the right to change or cancel any summer camp session for any reason, including if minimum registration enrollments are not met.

July 8-13 (girls entering grades 8-12)

FORENSIC SCIENCE CAMP

NO MYSTERY WHY THIS CAMP IS OUR MOST POPULAR!

On the first full day of camp, students arrive on a staged crime scene to gather evidence, such as fingerprints, footprints, and fiber and hair samples. Campers must answer a single question — who is the suspect? It's up to them to unfold the mystery using biology, chemistry, mathematics, and deductive reasoning. They weigh the evidence and apply findings in their quest for the culprit.

Students also take a field trip to an actual police crime lab during the week. On the last day, campers share the results of their investigation in a presentation to family and friends!

July 15-20 (girls entering grades 8-12)

FASHION CAMP: DRAW, DESIGN, AND SEW!

Campers learn the basic principles behind fashion design and construction.

THIS SUMMER CAMP IS NO PASSING FAD!

At Fashion Camp, students develop figure drawing and fabric rendering skills and learn to manipulate elements of design to create an aesthetically pleasing garment. In the costume shop campers master a specific decorating technique, such as beading, ruffling, or embroidery and acquire hand and machine sewing skills. At week's end, they present their designs in a fashion show for family and friends.

Field trips may include visits to The History Museum in South Bend to view the Historic Costume Collection, or to a local boutique to meet with the owner for a Q&A session.

THIS NEW CAMP IS PROGRAMMED FOR FUN!

July 15-20 (girls entering grades 8-12)
CODING CAMP

Summer Academy's Coding session draws students into the world of computer science and coding.

This session will have a focus on the coding process from designing, to writing, debugging, and implementing. Students will gain practical knowledge of how computers communicate with machines by instruction from a Saint Mary's College Professor.

ATHLETIC CAMPS

BASKETBALL, TENNIS, AND VOLLEYBALL ARE BACK! ALL NEW, LACROSSE CAMP!

(girls entering grades 5-10)

Get in the game!

Play the sport you love or explore a new one. Experienced instructors, varsity coaches, and college athletes provide guidance according to individual need.

Coaches will help you sharpen your skills. You'll set goals, share in a positive, team-oriented atmosphere, and develop healthy habits that will help you achieve success.

Our newly renovated athletic complex includes the addition of a field house with three indoor volleyball, basketball, and tennis courts. Volleyball and basketball camps will be held inside the new complex. Tennis camp will be hosted on our six outdoor tennis courts while lacrosse camp will be held on the new Patricia Wiedner Purcell Athletic Fields.

In addition to overnight Athletics Camps, Saint Mary's offers an economical Day Camp option featuring daily personal instruction in the discipline of your choice.

ABOUT THE ANGELA ATHLETIC & WELLNESS COMPLEX

The \$25 million-plus Angela Athletic & Wellness Complex project is complete and ready for camps! The renovation includes Patricia Wiedner Purcell '69 Athletic Fields and a complete overhaul and renovation to the former Angela Athletic Facility.

The new complex features:

- A three-court field house for varsity teams and club sports practices, intramurals, and other student activities
- An elevated running track
- Dedicated classrooms for yoga, pilates, spinning, and other fitness classes
- A café and social areas for meeting with friends
- Upgraded fitness equipment

2018 ATHLETIC CAMPS

Session I July 8–12

Session II July 15–19

BASKETBALL JULY 8–12

As a basketball camper, you will take the court each day to learn and practice fundamental skills. You will participate in drills for ball handling, footwork, shooting, and defense. Coaches will teach you offensive and defensive philosophies that will be applied in drills and scrimmages.

TENNIS JULY 8–12, JULY 15–19

Work with coaches to develop and refine all your tennis skills: footwork, ground strokes, serves, service returns, and volleys. Coaches focus on doubles and singles strategies, and you will match up against other campers in contests, games, and tournament play throughout the week.

VOLLEYBALL JULY 8–12, JULY 15–19

As a volleyball camper, you will learn and practice fundamental skills on the court. The staff will cover serving, passing, setting, hitting, and individual defense. After a week of skill instruction, the camp will end with a tournament.

LACROSSE JULY 15–19

As a lacrosse camper, you will take the field each day to learn and practice fundamental skills. You will participate in drills for passing, catching, shooting, dodging, and defensive skills. Coaches will teach you offensive and defensive strategies that will be applied in drills and scrimmages.

Seminar for moms (or caregivers) and daughters

Bloom for Girls is an educational program that builds girls' self-awareness and self-esteem in a day of discovery, laughter, bonding, sharing, and learning.

Moms and daughters are invited to join a fun and constructive conversation about the challenges girls face today created by digital culture, mass media, and bullying.

Two workshops delve deep into tough topics with presentations, discussion, movement, and creative activities.

Presenters are Saint Mary's College alumna **Molly Bell '97**, founder/director of Bloom for Girls, LLC, and Catherine Fleming, Esq.

Join us for a one-day seminar.
Sunday, July 15, 2018
10 a.m. - 3 p.m.
Catered lunch included

We need to keep talking.
We need to keep questioning.
We need to embrace the power we have as women.
It is our time.

Let's Bloom! Register ONLINE at saintmarys.edu/CampsBloom by June 29, 2018. If you have questions, call the Saint Mary's camp office at **(574) 284-4778**.

Price: \$45 per participant

Embody:

CREATED.
BELOVED.
CALLED.
RESPONDING.

Join a community of high school girls who share your values.

On the beautiful campus of Saint Mary's College, you'll explore beauty and justice through activities and reflection. You'll stay in a historic residence hall, eat in the campus dining hall, and learn from College professors, as well as Saint Mary's students who will serve as mentors.

Ready to take your spiritual journey to the next level?

**High Potentials
Leadership Program**
BY SAINT MARY'S COLLEGE
NOTRE DAME - INDIANA

July 8-13

The High Potentials Leadership Program combines training for future nonprofit work and business leaders, along with hands on, interactive, critical-thinking skills specially designed for women in the workplace.

Students explore topics surrounding women's leadership in today's world, and through field trips and meetings with accomplished women, are encouraged to discover and develop their own interests and abilities.

General Information:

The cost of the program includes tuition, housing, meals, field trips, admission fees, T-shirt, and required materials.

Visit saintmarys.edu/SummerEducation to learn more and register.

Some Things to Know:

- Homesickness is a normal reaction to being away from home, but we are ready to help! Our staff is trained to react to homesickness with compassion and empathy. Our counselors help campers focus on exciting camp activities, making new friends, and the fun of the residential camp experience. Remember that going away to camp is a growing opportunity for your daughter. As she gains a little independence, she builds confidence.
- Cell phone procedures vary for each summer camp. Please see the specific camp website for each program's cell phone policy.
- Transportation is available from South Bend International Airport if we are notified by June 1. An additional fee is required for this service.

Visit saintmarys.edu/Camps for more details.

Countdown to SUMMER CAMPS | 2018

Summer Programs

Girls, join us for fun, friendship, and learning experiences designed for talented young women like you. Explore the arts — including dance, music, and theatre — in Fine Arts Camp.

You'll learn to sew and make your own creations in Fashion Camp. In Coding Camp, you'll learn the basics of coding and develop new skills to create a website.

Athletic Camps will give you the chance to hone your skills in your favorite sport or try a new one in our brand new facilities.

Our counselors and instructors are experienced teachers, coaches, and qualified Saint Mary's students. They guide you through a camp experience that spark your creativity and passion.
