### **MISSION STATEMENT**

Founded by the Sisters of the Holy Cross in 1844, Saint Mary's College promotes a life of intellectual vigor, aesthetic appreciation, religious sensibility, and social responsibility. Saint Mary's is a Catholic, residential, undergraduate women's college in the liberal arts tradition offering co-educational graduate programs.

A pioneer in the education of women, the College is an academic community where students develop their talents and prepare to make a difference in the world. All members of the College remain faithful to this mission and continually assess their response to the complex needs and challenges of the contemporary world.

### **STATEMENT OF PHILOSOPHY AND PURPOSE**

As a center of higher education, Saint Mary's fosters an academic climate of scholarship and learning for faculty and students alike. Through excellence in teaching and the example of its own active scholarship, the faculty challenges students to expand their horizons and supports them in their intellectual pursuits. A broad-based course of study invites students to think critically and creatively about the natural world and human culture. Acknowledging the need to prepare women for an array of careers, the College insists on a liberal arts foundation for all its students. Through their years at Saint Mary's, students acquire depth and breadth of knowledge, competence in quantitative skills and modern

languages, the ability to think clearly about complex problems, and the capacity to communicate with precision and style.

As a Catholic college, Saint Mary's cultivates a community of intellectual inquiry, liturgical prayer, and social action. The College creates an open forum in which students freely and critically study the rich heritage of the Catholic tradition, raising the questions necessary to develop a mature religious life. The celebration of liturgy encourages students to explore the fullness of life and its mysteries. The College nurtures awareness and compassion for a troubled world and challenges students to promote human dignity throughout their lives. In preparing women for roles of leadership and action, Saint Mary's pays particular attention to the rights and responsibilities of women in the worlds of work, church, community, and family.

Dedicated to the personal and social growth of its students, Saint Mary's cultivates a community of students, faculty, and staff, which responds to the needs of women. In order to offer the richest educational experience possible, the College strives to bring together women of different nations, cultures, and races. It provides a residential environment where women grow in their appreciation of the strengths and needs of others. Through a host of co-curricular programs on campus and in the local community, Saint Mary's initiates students in the habits of civic responsibility. Engaging in all aspects of the college experience, students acquire the hallmarks of a liberally educated woman: keen self-knowledge, lively imagination, lifelong intellectual and cultural interests, and the ability to make socially responsible choices about the future.

## HISTORY OF THE COLLEGE

Saint Mary's College has maintained a steadfast commitment to the education of women since its founding by the Sisters of the Holy Cross in the mid-19th century. In 1843, University of Notre Dame founder Father Edward Sorin wrote to his superior, Father Basil Anthony Moreau, to request that he send sisters to a new mission in the wilderness of northern Indiana "to look after the laundry and the infirmary...and also to conduct a school, perhaps even a boarding school." Four Holy Cross sisters answered the call and, after a 40-day voyage from Le Mans, France, they arrived on May 30, 1843. They established the first school and novitiate in 1844. To establish an institution of higher learning for women was visionary. Today Saint Mary's remains unique among institutions of higher education, as a distinguished four-year, residential, Catholic college that focuses on the education of women at the undergraduate level, and offers co-educational graduate programs.

Students living in residence halls have access to the campus network and the Internet via ResNet, which provides one high-speed network connection for each room occupant, as well as one cable television connection for each residence room or suite. ResNet staff provides technical assistance to students who are having problems with their personal computers. Students also have the option of connecting to Saint Mary’s College wireless network, “BelleAire”, in most areas across campus. Wireless connectivity is available in all residence halls and academic buildings, with over 1,000 wireless access points distributed throughout the campus.

Technology classrooms and computer clusters are available in every academic building. Computer clusters include dedicated printers as well as a mix of Mac and Windows computers. The Trumper Computer Center, located in the lower level of the Cushwa-Leighton Library, is a state-of-the-art facility with 24-hour access for students when classes are in session. Each residence hall also offers 24-hour access when classes are in session.

Several teams within the Information Technology Department (IT) provide technology support services to the campus community. These include: Instructional Technology and Media Services, Administrative Computing, User Support (including the SMC HelpDesk, ResNet and Cluster Support), and Network Systems Support.

The Huisking Instructional Technology Resource Center (ITRC) provides consulting services and support for students and faculty in a number of technology areas including: hardware, software, video editing, video production, and online learning. The Huisking ITRC is located in the lower level of the Cushwa-Leighton Library near the Trumper Computer Center. Saint Mary's College uses the Blackboard Learning Management System to support both classroom and online learning.

## RESIDENCE HALLS

Saint Mary's College believes that living on campus gives students the opportunity to be fully engaged in academic and student life and to exercise adult freedoms responsibly with professional and peer support. A diverse community full of various viewpoints, goals and styles prepares students for future relationships, diverse careers and living in a dynamic global society.

Saint Mary's College has a six (6) semester residency requirement. However, many students choose to live on campus beyond the requirement. Students participate in a room selection process based on a random lottery system. More information can be found at our web site [saintmarys.edu/residence-life](http://saintmarys.edu/residence-life).

Each residence hall has the following amenities: social and reflective gathering and study areas, ResNet computer clusters, laundry facilities, full kitchens with microwaves, a chapel or reflection room, individual mailboxes, and a vending area.

**Annunciata Hall** was created in 1995 for seniors only. It is located on the fourth floor of Holy Cross Hall. Annunciata is a community available to a limited number of seniors who are interested in a more independent living experience and is comprised mostly of single rooms, with limited doubles, triples, and quads. Juniors may live in Annunciata if space permits.

**Holy Cross Hall**, built in 1903, was once the primary building on campus. It is the oldest residence hall and is favored by its residents for its architectural charm and cathedral windows. It also contains the campus post office, a chapel on the second floor, Health and Counseling Services, and the Belles Against Violence office. The hall features all room sizes including the campus' only quint rooms.

**Le Mans Hall** not only serves as a residence hall for 501 women, but as the central hub for the College's administrative offices, including advising offices. Room sizes available are single, double, triple, and quad. The beautiful Holy Spirit Chapel is located on the third floor.

**McCandless Hall**, built in 1964, houses 264 residents, and is the closest hall to the Noble Family Dining Hall, Angela Athletic Facility and student parking. Residents especially enjoy the air-conditioned study carrels provided for each room. McCandless contains singles, doubles, and triples. The hall's reflection room is located on the first floor.

**Opus Hall**, the senior apartment building, opened in 2005 and houses 73 students in two and four bedroom apartments. Each apartment is furnished, air-conditioned, and includes all appliances. The two story building also has laundry facilities, a common lounge on each floor for social gatherings, for study groups, or a relaxing conversation by the fireplace or on the sun deck. Opus Hall apartments provide senior students independent living with the benefits of being off campus while remaining close to campus events and activities.

**Regina Hall**, a 173,700 square-foot structure with its north and south wings. The north wing houses 146 students in singles, doubles and quads. The south wing houses 96 students in singles, doubles, and quads. Regina residents enjoy access to a chapel, two large student lounges with adjacent courtyards. Regina is home to the departments of Campus Ministry and Modern Languages. This hall also has many classrooms including a theatre classroom and a dance studio.

## SAFETY AND SECURITY

Safety and security on campus is of paramount importance to the College. The Safety Department joins with the Department of Residence Life and the Building Services, Grounds, and Maintenance departments to share mutual responsibility in keeping the campus safe and secure. However, the total involvement and cooperation of students, faculty, and staff are necessary to maintain a safe environment.

The Saint Mary's College Safety Department is staffed by full-time officers, full-time dispatchers and a host of part-time and on-call officers, dispatchers and escort drivers. The staff provides 24 hour a day year-round security and for the Saint Mary's College community. The Director provides investigative services for the campus and works closely with local law enforcement, prosecutorial staff, social service organizations, and others to augment and provide the safest environment possible. The Director plans and provides safety programs and provides regular communications to the community concerning timely warnings and accompanying safety tips of crimes that may pose a continuing threat.

**Blinkie**—An escort service van, driven by safety personnel, circles the campus when school is in session (from dark to 2 a.m., Sundays through Thursdays, and from dark to 4 a.m. on Fridays and Saturdays). The "Blinkie" van extends the route to the Grotto on the campus of the University of Notre Dame after the "Sweep" ends its daily run. The van drives students to and from Saint Mary's College parking lots and residence halls.

**Stranded Student**—Additionally, the "Stranded Student Program" encourages and provides safe travel back to Saint Mary's campus from local destinations when students find themselves alone or without the resources to obtain safe travel.

**Emergency Phones**—Blue light emergency phones, located around campus, provide another safety option for students to call Security when they do not feel safe, when they wish to report a crime, or in emergency situations.

The Safety Department desires to provide the safest environment possible but true security can only be gained with the vigilance of all members of the community.

Information on campus safety is available at [www.saintmarys.edu/student-life/campus-safety](http://www.saintmarys.edu/student-life/campus-safety). This web site describes the policies and programs the College has developed to foster a safe and secure environment conducive to the pursuit of education and personal growth. Please review the information carefully. If you have any questions contact the Safety Department at (574) 284-5000.
