

Steps for Setting Up a New Medicat Account

The Health and Counseling Center staff would like to welcome to Saint Mary's!! Here are some tips and tricks to help you as you set up your Medicat account. When you click on the patient portal link: saintmarys.medicatconnect.com/login.aspx, the first thing you are going to want to do is click on the "Sign Up" link under where it says "Not Registered" to the right of User Name.

Welcome to Saint Mary's College Patient Portal

Please complete this form to create an account. You will create a unique "User Name" on this screen. You must use your Saint Mary's email to register. You will then receive an email with additional directions to set up your password. Your password must contain UPPER and lower case letters and at least one special character (such as "@" or "#", etc.) Your password cannot match your username. If you have questions or problems, please contact Health and Counseling at 574-284-4805.

Once you have completed this information and clicked submit, an email will be sent to your Saint Mary's email address with additional information including how to set up a password. Please be sure to check your Spam folder (sometimes the Medicat emails are automatically filtered out of your inbox). Please write down your user name and password to access your portal at a later time (if needed).

If you are still having trouble setting up your account, please call or email the Health and Counseling Center at 574-284-4805 or hccenter@saintmarys.edu.

We look forward to welcoming you to campus in August!

Take care,
Sarah
