

ONGOING ALL WEEKEND

Here is a list of activities taking place all weekend

Alumna Art Exhibit - *You Paint Too Pretty – My Art Journey*

Moreau Gallery

Mary Ann Roach Butkovich '64

8 a.m. - 4 p.m.

Mary Ann Roach Butkovich '64 graduated from Saint Mary's College with a degree in art with further study at the Art Academy of Cincinnati and the University of Cincinnati. She has participated in numerous solo and group shows including the University of Dayton, Dayton, OH, Bowling Green University, Bowling Green, OH, Miami University, Oxford, OH, the Cincinnati Art Museum and The Contemporary Art Center in Cincinnati, OH. Her work is included in numerous corporate and private collections. Art is oxygen for the soul. Her inspiration comes from nature, music and whatever jolts the creative process. The wonderful experience of learning about the sensual, tactile, vibrant way that paint works opens a whole new creative adventure in the studio every day. Helen Frankenthaler, Paul Jenkins and Morris Louis are favorites, a real change from her favorite in high school, Maurice Utrillo. **Join the Artist for a Gallery Talk on Saturday June 6 at 2:15 p.m.**
