

Saint Mary's to Notre Dame Accelerated Masters Programs

Saint Mary's College and the University of Notre Dame's Mendoza College of Business have partnered to offer new accelerated Bachelors-to-Masters programs. For Saint Mary's students who meet the criteria for entry, Notre Dame offers **guaranteed advance admission** to the following masters programs. All may be completed with one additional year of coursework or less.

- Master of Nonprofit Administration
- Master of Science in Management
- Master of Science in Finance
- Master of Science in Accountancy

SMC to ND Master of Nonprofit Administration

Saint Mary's undergraduate students may pursue a five-year pathway to complete a bachelor's degree in **any** field at the College and a Master of Nonprofit Administration at Notre Dame.

Students from Saint Mary's will be accepted into ND's Master of Nonprofit Administration program during the early application period (typically September) of each academic year for an anticipated August start date.

To be considered, students must satisfy all of the following criteria:

- Complete a bachelor's degree at the College by the month of August, preceding the program's August start date that same month
- Complete one of the following:
 - Minor in Justice Studies
 - Minor in Social Work
 - Major in Social Work
- Achieve an overall minimum G.P.A. of 3.50
- Pay the deposit for admitted students to Notre Dame 30 days after formal notification of admission

SMC to ND Master of Science in Management

Saint Mary's undergraduate students may pursue a five-year pathway to complete a bachelor's degree in any non-business field at the College and a Master of Science in Management at Notre Dame. Because Notre Dame's Master of Science in Management program is designed for students without a previous background or education in business, **this pathway is open to students pursuing any degree at the College other than a Bachelor of Business Administration.**

Students from Saint Mary's will be accepted into ND's Master of Science in Management program during the early application period (typically September) each academic year for an anticipated June start date.

To be considered, students must satisfy all of the following criteria:

- Complete a bachelor's degree at the College by the month of August, preceding the program's August start date that same month
- Complete the following courses:
 - ECON 251: Principles of Macroeconomics
 - ECON 252: Principles of Microeconomics
 - MATH 114: Introduction to Statistics or MATH 346: Statistics (one or both)
- Complete less than 20 hours of courses with a BUAD designation
- Achieve an overall minimum G.P.A. of 3.50
- Pay the deposit for admitted students to Notre Dame 30 days after notification of admission

SMC to ND Accelerated Masters

SMC to ND Master of Science in Finance

Saint Mary's undergraduate students may pursue a five-year pathway to complete a bachelor's degree in any field with a serious quantitative emphasis from the College and a Master of Science in Finance from Notre Dame. Because ND's Master of Science in Finance program is designed for students without a previous background or education in finance, **this pathway is only open to students completing a quantitatively oriented degree at the College other than a Bachelor of Business Administration.**

Students from Saint Mary's will be accepted into ND's Master of Science in Finance program during the early application period (typically September) for an anticipated June start date.

To be considered, students must satisfy all of the following criteria:

- Complete the bachelor's degree in May of that academic year
- Complete the following courses:
 - MATH 252: Financial Mathematics
 - MATH 326: Linear Algebra and Differential Equations
 - MATH 114: Introduction to Statistics or MATH 346: Statistics (one or both)
 - BUAD 201: Principles of Financial Accounting
- Achieve an overall minimum G.P.A. of 3.50
- Achieve an overall G.P.A. of 3.20 for the required coursework listed above
- Pay the deposit for admitted students to Notre Dame 30 days after formal notification of admission

SMC to ND Master of Science in Accountancy

Saint Mary's undergraduate students may complete an accelerated accounting track in 3.5 academic years, in order to pursue a 4.5-year pathway to complete both a Bachelor of Business Administration with the Major or Concentration in Accounting from the College, and a Master of Science in Accountancy from Notre Dame.

Students from Saint Mary's will be accepted into ND's Master of Science in Accountancy during the early application period (typically September) for an anticipated January start date that same academic year.

To be considered, students satisfy all of the following criteria:

- Complete the Bachelor of Business Administration with the Accounting Major or the Accounting Concentration at the College in December immediately prior to the intended January matriculation at the University
- Achieve an overall minimum G.P.A. of 3.20
- Achieve an overall minimum G.P.A. of 3.50 in coursework for the College's Accounting Major or Concentration
- Pay the deposit for admitted students to Notre Dame 30 days after formal notification of admission
