

Saint Mary's College Chicago West Alumnae Club

Reconnecting with Saint Mary's

My name is **Bridget Murphy Cahill**, class of '89. I moved to Naperville, IL two years ago after being in North Carolina for eight years. I had never attended any alumnae club events in NC, but I made the decision when we moved to contact the local Chicago West Alumnae Club.

I called president, Alison Spohn. She was very kind and invited me to come to the next meeting. I enjoyed meeting all the local SMC ladies. Everyone was welcoming and friendly. I was excited to find out that many women meet monthly for book club. When we meet, we talk about any business and activities pertaining to the club, and then we discuss the book we read for that month. The group is very diverse in age, ranging from graduating in the 60's through the 2000's, thus making for some interesting book discussions.

If you are looking for a fun night out once a month, I encourage you to come to the monthly book club. You will join a wonderful group of women who do a lot for our college and our community, and you will have fun reading and discussing interesting books.

If you do not have time for books, the club has several other functions a year including dinners out, volunteering in the community, and Founders' Day events. Give it a try. You will be glad you did!

Support Your Local Club

Every year we solicit dues in order to offer activities and mailings. Dues are a nominal fee to stay updated on club news.

Dues are \$25 for the year. Young Alums (graduation 2003 or later are \$20)

Dues paying members will receive additional mailings throughout the year.

Please complete the enclosed response form and mail with your dues

**THANKS for
supporting your
local club and SMC!**

From the President...

Look at the many choices you have to participate in 2008! Our upcoming plans hope to include more of you. Clip and save the enclosed calendar to plan ahead. This year we are targeting certain eras for scheduled events. When you get the invite in the mail...join us! Reconnect with fellow alumnae.

Read (above) about a local alumna who moved to the area and took a leap of faith to reconnect with SMC. New friends were made! It is not too late for you.

We appreciate those members who participate by sending their dues each year. These dues pay for mailings and events. Be sure to include an email address on the response form. With the high cost of postage, additional notices and reminders are sent via email.

Thank you to those who contributed to the Chicago Scholarship Fund last year. Read the sincere letter of gratitude from our local scholarship recipient.

This student's letter made me reflect recently about why I choose to support Saint Mary's. A flood of college memories filled me up...

I traveled 800 miles from home to attend Saint Mary's College. I wasn't sure what I'd find, but I had hopes, and thought it would be special. Somewhere peaceful and spiritual where Catholic knowledge and friendships could grow. Somewhere I could be nurtured into adult life where I would learn how to fend for myself. Somewhere exciting and challenging: a real college life experience. Somewhere private and exceptional where the teachers would know my name. Somewhere I could find my path in life. Somewhere special.

We were the lucky ones. The women blessed with the opportunity to experience that special place. So now my "one hope" for Saint Mary's is for it to continue on in greatness...for daughters everywhere. I want to help my alma mater to thrive, in hopes that more young women can grow, like I did, in this special place.

For these reasons I give to Saint Mary's every year and hope you will consider giving too. I look forward to seeing you in 2008!

YOUR Donation Makes a Difference

Thanks to those who contributed to the SMC Chicago Scholarship fund last year. The Chicago West Club donated \$1365 to the fund. Read this inspirational letter from **our local scholarship recipient**. We are making a difference!

I am a freshman at Saint Mary's College this year. I wanted to take this opportunity to thank you for making it possible for me to attend this prestigious college. I truly appreciate your kindness and am grateful for your contributions. Because of your generosity, I have the opportunity to attend one of the nation's most honorable colleges, and that means so much to me. I've worked so hard these past four years in my academics, church, work, dance classes, and community. Due to these experiences I feel I am ready for whatever changes are coming my way. I am ready to be challenged at the next level. I want to have the chance to succeed in the world today and to take advantage of all things that come my way the next four years. I feel that Saint Mary's College will give me these opportunities and will allow me to grow not only socially and mentally, but also spiritually. To have this opportunity means the world to me. Thank you so much for your generosity. I appreciate all you do for girls like me and hope that one day, I can do the same.

Freshmen Send-off

Our annual student send-off was held on Sunday, August 9. We had alumnae from the 1940s to 2008 there to wish our local students well as they begin their Saint Mary's experience. Alumna, Alice Osberger attended with her granddaughter, Jean. We also met our new scholarship student, Allison Tattay. The afternoon was a fun way to connect with some of our future South Bend alumnae and help introduce them to the College!

MESSAGE FROM THE PRESIDENT

Dear Alumnae,

Welcome to another active year with the South Bend Club. As the students prepare to return to campus, the club board is preparing a number of events to allow alumnae to reconnect to Saint Mary's. It is our hope to offer a variety of functions that will appeal to all or our local alumnae.

I hope that despite our hectic lives many of you will take some time to join us throughout the year. Please consider renewing your club membership today or if you have not been involved in the past, join us now, we are always happy to welcome new members. Your membership allows us to continue to support our Club's endowed scholarship fund. A portion of your annual dues are donated to the scholarship fund each year and then the College identifies local students to award the scholarship to through the financial aid office. I have had the privilege of getting to know our scholarship students over the last several years and our Club should be very proud. For me, they have embodied the ideals of Saint Mary's.

As you read this newsletter, please notice that Founder's Day is coming up shortly. I have made an effort to bring the cost down this year as many of you were concerned that we would lose participants due to the economic downturn. I hope you will all be able to join us for an evening celebrating the heritage of our beloved Saint Mary's.

If there is something you would like to see the Club do this year, please contact me, I am very open to suggestions.

Sincerely,

Wendy Betz Chapman '95

**SAINT MARY'S COLLEGE
LOS ANGELES ALUMNAE CLUB**

Happy 2008!

Although 2007 is quickly becoming a distant memory for most,
it was another noteworthy year for the Los Angeles Alumnae Club.

In 2007, we asked for your support to endow our scholarship fund. Your response was overwhelming. We not only achieved our fundraising goal but exceeded it. With your generous support and a matching gift from Saint Mary's, we raised enough funds to endow the Los Angeles Club Scholarship. We have created a last legacy which will help students from Los Angeles for years to come.

On August 9, 2007, alumnae and current students met at the Cheesecake Factory in Redondo Beach to "send-off" new students from the Los Angeles area to Saint Mary's. New Students: Kendall Davis '11 and Sammy Bello '11 attended the event. Saint Mary's student, Megan Pelc '08 and alumnae were there to provide Kendall and Sammy with some pointers and helpful hints for their first year at Saint Mary's.

On October 27, 2007, the Los Angeles alumnae celebrated Founders' Day. Los Angeles alumnae and friends were graciously welcomed by Holy Cross priests who celebrated Mass at Saint Monica's Church in Santa Monica. After Mass, a luncheon was held at Marix Tex-Mex. Richard Baxter, Director of Special Events for Saint Mary's, was the guest speaker. Richard attended the beatification of Father Moreau in Le Mans, France on September 16, 2007 and shared his experience.

Look what we've got planned for 2008!

Let's Do Lunch: Third Tuesday of the Month

On the third Tuesday of each month, Los Angeles alumnae meet for lunch. This luncheon is not a hosted event. Alumnae meet at Il Moro in West Los Angeles (11400 W Olympic, 90064). If you are interested in joining us for lunch, please contact Susan Rice '61 at sfrice@sfrconsulting.com.

Send-Off: July-August 2008

This annual event brings alumnae and current students together to celebrate the start of the new school year. This event provides Los Angeles area students and their families the opportunity to meet and talk to students and alumnae about the Saint Mary's experience. If you would like to participate in the Send-Off event, please contact Pat Lechman '63 at patlechman@gmail.com or 310/539-8907.

Founders' Day: October-November 2008

This annual event honors the founding of Saint Mary's College. To sustain our scholarship and have it benefit more local women, this event will be a fundraiser for the Los Angeles Club Scholarship Fund. If you would like to participate in Founders' Day, please contact Rose Maciejewski Farley '97 at maciejewskir@ruderfinn.com or 310/717-3005.

Notre Dame v USC: Saturday, November 29, 2008

Before the Irish take on the Trojans, the Los Angeles Alumnae Club will host a tailgate at the Coliseum. If you would like to participate in the Tailgate, please contact Rebecca Votto '93 at rebeccavotto@yahoo.com or 310/597-9210.

**We are in the process of finalizing our calendar and revitalizing the club.
We cannot do it alone; let us know if you are interested in taking an active role in the club!

She's Saint Mary's

Did you know that 27% of the Class of 2011 has an alumna connection to the College? Did you know that there are currently over 10 students attending Saint Mary's from the LA area? Endorse someone you know to apply to Saint Mary's (<http://www3.saintmarys.edu/student-app-endorse>).

Did you know that for the 2007-2008 academic year, Saint Mary's tuition and room and board was \$35,550? Ninety percent of Saint Mary's students receive financial aid in the form of scholarship, grants, work and loans. With the endowment of our scholarship fund, the Los Angeles Club will award a scholarship to at least one Los Angeles area student on an annual basis.

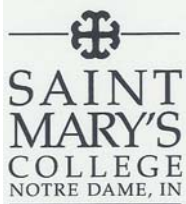

Did you know that for the first time ever, *U.S. News & World Report* gave Saint Mary's College a national ranking rather than regional? Saint Mary's ranks among the 100 best liberal arts colleges in the nation, of which there are 266. Saint Mary's breaks into the best of the nation at 91. Among the many criteria that *U.S. News & World Report* uses to rank colleges, one of them is alumni giving. Every gift matters – there is no gift too small, we encourage you to support Saint Mary's Annual Fund and the Club's scholarship fund. Your participation truly does help young women achieve their dreams of attending Saint Mary's College. To make a gift on-line, go to <http://www3.saintmarys.edu/giving>.

Twin Cities Alumnae Club Celebrates its 75th Year

This past 2006 the Twin Cities Alumnae Club celebrated its 75th Year. To commemorate this momentous occasion, the Club held an evening reception on Monday, October 30th with Saint Mary's College's President, Carol Ann Mooney '72 as the honored guest speaker.

The evening began with the guests mingling with President Mooney, vice president for College Relations Shari Rodriguez and Michelle Poeppé Egan from the Alumnae Relations Office. It was a great opportunity for many of the alumnae to connect with people from their own class.

President Mooney addressed the College's current and ongoing initiative to meet the ever changing needs of College women. She stated that today's Saint Mary's students would like to see a greater emphasis on sports, fitness and physical well being. The Angela Athletic facility has been updated to include a fitness center, with is greatly used by students, faculty, and staff.

The students have also expressed the need for different styles in the classrooms. President Mooney explained that renovation and new construction is the key to the College's ongoing success. Currently, the College is undergoing construction of a new classroom building. It will feature a revised approach to the traditional classroom, offering layouts more conducive to collaborative learning versus straight out lectures. The new building will be finished for fall 2008.

The Club would like to thank Jim and Colleen Ryan for hosting the event at the Ryan Companies headquarters in downtown Minneapolis. We greatly appreciate the beautifully catered light dinner - many return trips were made to the buffet with a large variety of hors d'oeuvres coordinated by Colleen.

As at all of our Twin Cities alumnae events, we all left feeling a renewed connection to our College, as well as to other area alums.

A Message from the SMC TC Alumnae Board

This past winter, the Board has been working hard to revitalize the Twin Cities Club. We believe that the 2007-2008 Club year will be rewarding and enjoyable to our local alumnae, current SMC students and to the College itself.

During this Club year, we have several goals:

1. To provide more social opportunities for our alumnae and friends
2. To provide more continuous support to our local SMC students
3. To provide educational and professional opportunities for our alumnae & students

In order to keep you up-to-date on the Club and its activities, we will send out monthly email updates and post all pertinent information on the Club's website.

If you would like to assist in the revitalization of the Club or if you have ideas/suggestions, please contact the Club via email at smctcalumnaeclub@gmail.com.

Long Distance Support to Local SMC Students to Continue

For the second year in a row, the Twin Cities SMC Alumnae Club provided long distance support to our 28 local SMC students during winter finals. With the assistance of generous local alumnae*, the club was able to purchase 28 Starbucks gift cards for the students and on December 2nd, a small group gathered at the home of Charmaine Samaraweera Torma (1999) to write Christmas greetings to the students. The students received the cards during their study days and hopefully we were able to make finals week a little less daunting.

After talking with many of the students, the Club has decided to create a ***Student Support Group***. The purpose of the group is to provide continuous support for our local students. We will begin by hosting a Student Send Off in the summer, pairing each student with a buddy who will keep in regular contact with the student during the academic year, to prepare and send care packages to the students and to provide graduation gifts to the seniors. If you are interested in being a member of this group, please contact the club at smctalumnaeclub@gmail.com.

*Special thanks to the following alumnae for providing us with the means to support our local SMC students:

Virginia Birskovich Anderson, 1972
 Michelle Wenner Chestovich, 1996
 Jennifer Todd Ellis, 1992
 Maureen Callan Fisher, 1972
 Erika Moen Januscka, 1995
 Sandra Carpenter Mazza, 1982
 Jane E. Cady Pirtle, 1994
 Elizabeth McGie Robertson, 1992
 Mary Beth Durnbach Snyder, 1980
 Mary Kay Gaido Werner, 1990

Successful 2008 Student Send-off

On August 6th, the Club hosted a gathering to welcome the Class of 2012. The event was held at the home of Cheri Petride Miller '79 and was chaired by Deborah Stancik Krawczyk '78.

Nine of the ten incoming freshmen were able to attend along with nine current students. Also in attendance were parents of the students and alumnae. The current students answered questions and provided much insight into life at Saint Mary's College. All students received 2008-2009 academic planner books as a "going away" gift. The Club wishes these new students the best of luck.

Help Us Cut Costs – We Need Your E-mail Address!
The postal rate increases that continue to soar are putting a serious dent in our budget. We are exploring ways to deliver as much information as possible to our members via e-mail and our website while reducing our overall mailing costs. One way that you can help is to provide us or the college with your e-mail address if you have not done so already. Send your e-mail address to alumnae@saintmarys.edu or clmiller8457@earthlink.net
