Saint Mary's College ranks among the top 100 Best National Liberal Arts Colleges for 2016 published by U.S. News & World Report.

Dear Family, Friends, and Prospective Student-Athletes,

Aligned with the NCAA Division III philosophy, Saint Mary's College athletics is focused on the support of our student-athletes as they immerse themselves in the college experience. We expect our women to pursue the full spectrum of opportunities available to them over their four years with us. They are students first. They have enrolled in college to earn an academic degree. With this focus in mind, our student-athletes are afforded the same classroom experiences and opportunities as their peers here at Saint Mary's College.

Their choice to participate in athletics is a wise one that only enhances their educational experience. Through sport, student-athletes learn how to lead and take initiative as well as how to work as a member of a team. They learn to set goals and work through the process of accomplishing those goals. If they fall short, they know how to re-evaluate, and if necessary, strategize a new route to success—they do not give up. Student-athletes are masters of time management. They know how to give and take feedback. In short, participation in sports provides the opportunity for athletes to practice skills that will help them to succeed in life.

And succeed they do! Besides the athletic accolades that you will read about on our website and in this media guide, you will also see that several of our student-athletes have even been recognized with the highest honors bestowed upon our graduates.

Participation in athletics is a rich and rewarding experience. Teammates become lifelong sisters. I invite you to look through this media guide and read about the challenges and triumphs of our student-athletes and coaches. Prospective student-athletes, I encourage you to visit our campus. Meet with our coaches, shadow a current student-athlete, and ask questions to learn if Saint Mary's could be a fit for you. Follow your passions and discover your potential at Saint Mary's College.

Once a Belle, always a Belle,

Julie Schroeder-Biek '88
Director of Athletics and Recreation

The mission of the Department of Athletics and Recreation at Saint Mary's College is to provide a comprehensive program designed to be a vital part of the total educational process. Embracing Opportunities

The Saint Mary's tennis team has won over 100 matches in the last ten years. The Belles aim to continue that trend of sustained success in the 2015–16 academic year while striving to earn a spot in the MIAA Tournament in May.

Leading the way is a pack of returning student-athletes who have already accounted for 150 doubles and singles wins collectively. Seniors Margaret Faller '16 and Andrea Fetters '16 have each posted over 20 doubles and singles wins alone thus far, and both look to add to that total while helping the team achieve its goals. Faller is coming off her best season to date after making big contributions to the team in both doubles and singles play. Fetters was named Second Team All-MIAA last spring after stepping into the number one singles role a year ago.

Sam Setterblad '17, Kaity Venters '17, and Maddie Minaudo '18 all have their sights set on contributing to the team's success in the spring of 2016. All three

helped the Belles return to the MIAA Tournament last spring, and all three are expected to deliver again in 2016.

Additionally, several members of the Saint Mary's tennis team have embraced the many opportunities the College offers. Venters recently returned from studying abroad this past fall in China. Fetters took part in a summer-long research program on campus. Faller participated in the Summer European Study Abroad session in 2014.

Sam Setterblad '17

In the past 18 years of conference membership, the team has had eleven different athletes honored with All-MIAA accolades a total of 32 times. Recently, Mary Catherine Faller '14 became the fourth player in program history to receive the Sue Little Sportsmanship Award. The award, which is bestowed annually by the MIAA, is selected by fellow conference tennis players and is given to the player who best exemplifies courtesy and sportsmanship both on and off the courts. Moreover, a member of the Belles tennis team has been an All-MIAA honoree at the end of the season in each year of league membership.

helped the Belles return to the MIAA Tournament last spring, and all three are expected to deliver again in 2016.

VIBRANT COMMUNITY

FACULTY ADVISORS

Each varsity team has a faculty advisor who serves as a liaison between athletics and our academic departments. Our faculty advisors support our student-athletes in a variety of ways. They are available to discuss schedule planning and choosing a major while also mentoring student-athletes facing academic challenges. They attend competitions, team meetings, and banquets.

NCAA STUDENT-ATHLETE AFFAIRS (SAA)

SAA assists student-athletes with success outside of the athletic arena through monitoring academic progress and mentoring individuals as needed. Under the direction of cross country coach, Jackie Bauters, SAA also hosts the annual CHAMPS (Challenging Athletes' Minds for Personal Success) Cup competition to encourage individual growth while fostering athletic unity. Each of the eight varsity teams earn points through achievement, participation, and/or attendance in a variety of venues: academic achievement, personal development, career development, community service, and Belles spirit.

EMPOWERING LEADERS

STUDENT-ATHLETE ADVISORY COMMITTEE (SAAC)

The NCAA adopted the idea to have an association-wide Student-Athlete Advisory Committee.

The mission of the committee is to enhance the total student athlete experience by promoting opportunity, reviewing legislation, protecting student-athlete welfare, and fostering a positive student-athlete image.

At Saint Mary's, the SAAC goes above and beyond the call to serve as a liaison between athletes and the athletic administration. Each year the athletic teams perform on- and off-campus community service projects while supporting organizations.

FOSTERING EXCELLENCE

ATHLETE OF THE WEEK

Saint Mary's College honors outstanding student-athletes each week. At the end of the academic year, all of our Athlete of the Week recipients are recognized for their accomplishments at a reception in which they have the opportunity to invite a professor or staff member who has influenced them.

ATHLETIC HALL OF FAME

In 1993 former Athletic Director Dr. JoAnn Nester created the Saint Mary's College Athletic Hall of Fame to recognize outstanding Saint Mary's athletes, coaches, and athletic administrators for their numerous contributions to Saint Mary's athletics. Since the inception of the Hall of Fame, 32 individuals and four teams have been inducted.

SENIOR AWARDS RECEPTION

Each spring the Athletic Department honors its senior student-athletes at a special recognition reception. In addition to each senior athletes receiving a watch to commemorate their athletic careers, a select few seniors are recognized with special awards, including the Don Miller Belles Spirit Award and the Marvin Wood Outstanding Senior Athlete Award.

DISTINGUISHED HONORS

Outstanding Senior Award. Lumen Christi Award. Valedictorian. Our student-athletes have been recognized with these special honors in the past 12 years. The College's Alumnae Association Board of Directors presents the Outstanding Senior Award to a member of the senior class who exemplifies the spirit and values of Saint Mary's. The Lumen Christi Award is bestowed upon the senior who stands out in the College community as an exemplary Christian woman. The recipient of the award is traditionally someone who has excelled in leadership and loyalty to Saint Mary's and whose presence has had a profound effect on the College community.

BIG SISTERS PROGRAM

The Big Sisters program helps acclimate first-year Belles to the demands of being a collegiate student-athlete, brings awareness to campus resources, personnel, and tools to help Belles succeed, and connects them with their peers in the athletic department.

MIAA AND NCAA INFORMATION

MIAA HISTORY

Compete for championships. Create a legacy. Rewrite the history books. Those opportunities and more are what await when competing for the Belles in the Michigan Intercollegiate Athletic Association (MIAA). America's oldest collegiate athletic conference, the MIAA conducts full-season championships in 22 sports for men and women. Affiliated with NCAA Division III, the conference provides our student-athletes with the opportunity to compete for championships at the MIAA level and beyond. Learn more at miaa.org.

NCAA DIVISION III

To read more on how Saint Mary's exemplifies what it means to be Division III, please visit: saintmarys.edu/Athletics
Rules about recruiting prospective student-athletes at a Division III institution include, but are not limited to the following:

- + Prospects may receive printed materials at any time from NCAA Division III coaches.
- + There is no limit on the number or timing of phone calls or emails at the NCAA Division III level, and the prospect may make calls to the coach at their own expense.
- + Electronically transmitted communication, particularly through the means of social media, has many regulations as it pertains to NCAA Division III athletics. Phone calls, text messages, emails, facsimiles, instant messenger, and private communication through social networking sites are all approved means of communication.

Correspondence through electronic communication is permitted provided that the communication is private between the sender and the recipient. There are no restrictions on the timing for sending private electronic correspondences to prospective student-athletes, and enrolled student-athletes may send private electronic correspondence to prospective student-athletes for recruitment purposes.

Many forms of communication through social media, however, are prohibited. Two of the more popular social media platforms—Facebook and Twitter—have the following restrictions:

Facebook: NCAA Division III coaches are allowed to private message prospective student-athletes. Coaches are not allowed to engage in chat functions, group messages, posts on a prospective student-athlete's wall, "like" or "comment" on a photo, or send/accept friend requests with prospective student-athletes.

Twitter: NCAA Division III coaches can have a prospective student-athlete follow them as well as direct message. Coaches are not allowed to follow prospective student-athletes, re-tweet a prospective student-athlete, or tweet using a prospective student-athlete's handle.

Additionally, there is now a NCAA Division III standardized Celebratory Signing Form available to accepted student-athletes. Contact the director of athletics at jsbiek@saintmarys.edu for more information.
