PURPOSE OF PLAN; ADOPTION OF THE PLAN DOCUMENT

What is the purpose of the Plan?

Saint Mary’s College (the “*Plan Sponsor*”) has adopted the Saint Mary’s College Flexible Benefits Plan (the “*Plan*”) as set forth herein and as amended from time to time for the exclusive benefit of eligible *employees*. The purpose of this *Plan* is to allow eligible *employees* to pay eligible *qualified medical flexible spending expenses, qualified dependent care flexible spending expenses, and their share of premiums under the benefit plan (“benefit costs”)* using pre-tax dollars.

The intention of the *Plan Sponsor* is that the *Plan* qualifies as a “cafeteria plan” within the meaning of *Code* § 125 and the *Plan* shall be construed in a manner consistent with that Section. The tax implications of this *Plan*, however, are subject to rulings, regulations, and the application of the tax laws of the state and federal government. Although it may anticipate certain tax consequences as being likely, the *Plan Sponsor* does not represent or warrant to any *participant* that any particular tax consequence will result from participation in this *Plan*. By participating in this *Plan*, each *participant* understands and agrees that, in the event the Internal Revenue Service or any state or political subdivision thereof should ever assess or impose any taxes, charges and/or penalties upon any benefits received under the *Plan*, the recipient of the benefit will be responsible for those amounts, without contribution from the *Plan Sponsor*.

This *Plan* is intended not to discriminate as to eligibility or benefits in favor of the prohibited group(s) under *Code* §§ 105 and 125.

Effective date

This plan document and *summary plan description* was originally effective January 1, 2004 and was most recently amended and restated effective as of January 1, 2013. Each subsequent amendment is effective as of the date set forth therein (the “*effective date*”).

Adoption of the summary plan description

The *Plan Sponsor*, as the settlor of the *Plan*, hereby adopts this *summary plan description* as the written description of the *Plan*. This *summary plan description* amends and replaces any prior statement of the benefits contained in the *Plan* or any predecessor to the *Plan*.

IN WITNESS WHEREOF, the *Plan Sponsor* has caused this Plan Document to be executed.

For purposes of a *qualifying medical spending account*, *dependent* includes and is limited to (i) a *participant’s spouse* (as determined under federal law), (ii) any person who qualifies as the *participant’s dependent* (as defined in Code Section 152, but disregarding subsections (b)(1) , (b)(2) , and (d)(1)(B) of section 152) or (iii) the *participant’s child* (as defined in Code Section 152(f)(1), but only if the child is under age 26 on the first day of the applicable calendar year). For purposes of any other *benefit plan* offered under the *Plan*, if the underlying *benefit plan* provides health coverage for dependents but does not include a definition of *dependent*, *dependent* means (i) a *participant’s spouse*, (ii) a *participant’s child* (as defined in Code Section 152(f)(1)) who is under age 26 or (iii) a *participant’s unmarried child* (as defined in Code Section 152(f)(1)) who is age 26 or older and who, for the applicable calendar year depends on the *participant* for more than half of his or her support, if the child is physically or mentally incapable of self-support, but only if the physical or mental disability commenced before the child reached age 26.

DEFINITIONS (Continued)

With respect to a course of treatment or procedure that includes several steps or phases of treatment (other than with respect to Orthodontia services) expenses are *incurred* for the various steps or phases as the services related to each step are rendered and not when services relating to the initial step or phase are rendered.

Notwithstanding the preceding, otherwise eligible expenses for orthodontia services that are paid before the services are provided will be treated as *incurred* at the time that the payment is actually made but only to the extent that the employee is required to make the advance payment to receive the services.

- An individual who, on the day before a *qualifying event*, is a *spouse* or *dependent* child receiving health benefits under the *plan*; or
- In the case of a *qualifying event* resulting in termination of coverage due to termination of employment or reduction in hours, an individual who, on the day before such *qualifying event*, is a *participant*.

DEFINITIONS (Continued)

A newborn child of, an adopted child of, or a child placed for adoption with, a *qualified beneficiary* (as defined in the first bullet above) will be entitled to the same continuation coverage period available to the *qualified beneficiary*; however, such child shall not become a *qualified beneficiary*.

A newborn child or child placed for adoption with a *qualified beneficiary* (as defined in the second bullet above) shall become a *qualified beneficiary* in his own right and shall be entitled to benefits as a *qualified beneficiary*.

A *qualified beneficiary* must notify the *Plan Administrator* within 31 days of the child's birth, adoption or placement for adoption in order to add the child to the continuation coverage.

"Qualified dependent care flexible spending account" means the account established by the *Plan Administrator* on behalf of a *participant* who elects to have amounts withheld from his salary in order to pay *qualified dependent care flexible spending expenses*.

"Qualified dependent care flexible spending expenses" means employment-related dependent care expenses which are eligible for reimbursement under the *Plan* as determined under *Code* §§ 129(e)(1) and 21(b). Such expenses include amounts paid for household services and for the care of *qualifying individuals* enabling the *participant* to be gainfully employed.

"Qualified medical child support order" or "QMCSO" means a *medical child support order* that creates or recognizes the existence of an *alternate recipient's* right to, or assigns to an *alternate recipient* the right to, receive health benefits for which a *participant* or eligible *dependent* is entitled under this *Plan*. In order for such order to be a *qualified medical child support order*, it must clearly specify the following:

- The name and last known mailing address (if any) of a *participant* and the name and mailing address of each such *alternate recipient* covered by the order;
- A reasonable description of the type of coverage to be provided by the *Plan* to each *alternate recipient*, or the manner in which such type of coverage is to be determined;
- The period of coverage to which the order pertains; and
- The name of this *Plan*.

In addition, a *national medical support notice* shall be deemed a *qualified medical child support order* if it:

- Contains the information set forth above in the definition of *national medical support notice*;
- Identifies either the specific type of coverage or all available group health coverage. If the *employer* receives a *national medical support notice* that does not designate either specific types of coverage or all available coverage, the *employer* and the *Plan Administrator* will assume that all are designated;
- Informs the *Plan Administrator* that, if a group health plan has multiple options and a *participant* is not enrolled, the issuing agency will make a selection after the *national medical support notice* is qualified; and
- Specifies that the period of coverage may end for the *alternate recipient(s)* only when similarly situated *dependents* are no longer eligible for coverage under the terms of the *Plan* or upon the occurrence of certain specified events.

However, such an order need not be recognized as "qualified" if it requires the *Plan* to provide any type or form of benefit, or any option, not otherwise provided to a *participant* and eligible *dependents*, except to the extent necessary to meet the requirements of a state law relating to *medical child support orders*, as described in Social Security Act § 1908 (as added by the Omnibus Budget Reconciliation Act of 1993 § 13822).

“Qualifying individual” means:

- A *dependent* of a *participant* who is under the age of 13;

ELIGIBILITY FOR PARTICIPATION

Am I eligible to participate in the *Plan*?

You are eligible to participate in the *Plan* if you are an active, full-time, or part-time employee and you have completed at least one (1) hour of service with the *employer*. Participation in the *Plan* will begin on the first day of the employment.

If you are absent from work due to illness or a medical condition, you will be considered to be *actively at work* during that time period for the purposes of eligibility under this *Plan*.

However, you may elect to make contributions to the Premium Only Plan component only if you participate in the *benefit plan*.

When will my participation begin?

If you are a new *employee*, your entry date for the *Plan* is contingent upon completion of the eligibility requirements outlined above. If you are a new *employee* who is eligible to participate, your entry date is the first date following your eligibility date, provided that you have completed a *salary contribution agreement*. You must complete a proper *salary contribution agreement* within 31 days from your original eligibility date in order to participate in this *Plan* for the *plan year*.

If you are enrolling during an *annual enrollment period*, your entry date will be January 1st following the *annual enrollment period*, provided that you have completed a *salary contribution agreement*.

If you participate in the *benefit plan*, you will be automatically enrolled in the premium only component of the *Plan*. Failure to enroll in the premium only component of the *Plan* within 31 days of your eligibility date will result in a default election of participation. Additionally, you may elect to contribute to a *qualified medical flexible spending account* or a *qualified dependent care flexible spending account* by completing the *salary contribution agreement* within [time frame] of your eligibility date. Eligible *employees* who do not complete a *salary contribution agreement* within the required time frame may not participate in the *qualified medical flexible spending account* or the *qualified dependent care flexible spending account* components of the *Plan* and you will not have the opportunity to enroll until the next *annual enrollment period* or following a change in status event described below.

Unless you experience a change in circumstances, as described below, your *salary contribution agreement* will continue in force for that *plan year*, and you will be required to complete a new *salary contribution agreement* for each subsequent *plan year* for which you decide to participate in this *Plan*.

However, your participation in the *premium only plan* component will continue from *plan year* to *plan year* until your participation in the *benefit plan* terminates.

May I elect not to participate in the *benefit plan*?

You may elect not to participate in the *benefit plan* by completing and filing an appropriate election/declination form with the *Plan Sponsor* within 31 days of your original eligibility period or an *annual enrollment period*.

May I make mid-year changes in my *Plan* elections?

Generally, you cannot change your election to participate in the *Plan* or decrease or increase the amount you have elected to contribute to your account(s) once the *plan year* begins. However, you may make a mid-year election change if you experience a change in status event listed below, if that change in status event affects the eligibility for benefits of you, your *spouse*, or your *dependent*, and the election change you make is consistent with the change in status event. Change in status events include:

- Marriage.
- Divorce, legal separation, or annulment.
- Birth, adoption, or placement for adoption of a child.

ELIGIBILITY FOR PARTICIPATION (Continued)

- Death of a *spouse* or *dependent*.
- Termination or commencement of employment by you, your *spouse*, or your *dependent*.
- Reduction or increase in hours of employment by you, your *spouse*, or your *dependent* which results in a change in eligibility under the *Plan* (including a switch from part-time to full-time employment status or vice versa, a strike, or a lockout).
- Place of residence change by you, your *spouse*, or your *dependent*, which results in a change in eligibility.
- Your *dependent* satisfies or ceases to satisfy the requirements for coverage due to attainment of age, student status, or any similar circumstance that would make the *dependent* ineligible under *Code* § 152.
- Commencement or return from an unpaid leave of absence by you, your *spouse*, or your *dependent*.
- A change under another employer plan (including a plan of your employer or of another employer); provided the other employer sponsored plan permits such mid-year election change.
- A change in worksite of you, your *spouse*, or your *dependent*.
- The entitlement to Medicare or Medicaid or the loss of coverage under Medicare or Medicaid by you, your *spouse*, or your *dependent*.
- An election change by the *participant's spouse* or *dependent* (or an election made on behalf of such *dependent* by any other person) under another employer-sponsored plan if the employee's election is on account of and corresponds with the spouse's or dependent's election and either of the following events occur:
 - The election change by the *spouse* or *dependent* satisfies the regulations under Code §125 regarding permitted election changes; or
 - The spouse's or dependent's election is for a period of coverage under the plan maintained by the other *employer* which does not correspond to the *plan year* of this *Plan*.

If you experience such a change in status and wish to change your level of coverage, you must submit written notification to the *Plan Administrator* within 31 days of your change in status, as well as a new *salary contribution agreement* reflecting your new contribution elections. The *Plan Administrator* reserves the right to require you to submit proof of any change in status at your expense. The change in coverage becomes effective on the first day of the month following the date the written notification is received by the *Plan Administrator*, except that coverage for birth, adoption, or placement for adoption becomes effective the date of the event. Any such change will remain in effect for the remainder of the *plan year*.

- Coverage under Medicaid or under a State Children's Health Insurance Program (CHIP)

If a *participant* did not enroll in the *Plan*, but was otherwise eligible to enroll, he or she will be permitted to later enroll in the *Plan* under one of the following circumstances:

- The *participant* or his or her *dependent* was covered under Medicaid or CHIP at the time of initial enrollment and such coverage subsequently terminates due to loss of eligibility for Medicaid or CHIP ; or
- The *participant* or his or her *dependent* becomes eligible for a premium assistance subsidy under Medicaid or CHIP.

ELIGIBILITY FOR PARTICIPATION (Continued)

The *participant* must submit written notification to the *Plan Administrator* and request enrollment in the *Plan* within 60 days after coverage under Medicaid or CHIP terminates or within 60 days after his or her eligibility for a premium assistance subsidy under Medicaid or CHIP is determined, whichever is applicable.

Must the election change be consistent with the change in status?

You will be permitted to change an election during the *plan year* and make a new election for the remainder of the *plan year* only if the change you make is consistent with the event. For example, you can only change your election to contribute to the *premium only plan* or the *qualified medical flexible spending account* if:

- The change in status results in you or your spouse or dependent child, gaining or losing eligibility for health coverage under the *benefit plan* or another health plan of your spouse's or dependent child's employer; and
- The election change corresponds with that gain or loss of coverage.

What if there is a change in the cost of coverage or a significant change in coverage under the *benefit plan* during the *plan year*?

If the *benefit costs* increase or decrease during a *plan year*, the *Plan* may, on a reasonable and consistent basis, automatically make a prospective increase or decrease in the affected *participant's* elective contributions for the *premium only plan*.

If there is a significant change in *benefit costs* or a significant change in your coverage under the *benefit plan* (as determined by the *Plan Sponsor*), you may make a corresponding change in your election to participate in the *premium only plan*.

If the cost of your *qualified dependent care flexible spending expenses* significantly increase or decrease (as determined by the *Plan Sponsor*), and such increase or decrease is imposed by your dependent care provider, then you may make a corresponding change in your election to participate in the *dependent care flexible spending account*, provided any amounts paid to your dependent care provider are not considered a payment made to an individual you are related to, as determined in accordance with *Code* §129(f).

May I continue participation during *FMLA* leave?

If the leave of absence is qualified under *FMLA* you have the option to terminate your participation or continue your participation in the *Plan* and make payments in a manner determined by the *Plan Administrator*, in its sole discretion, from among the following options:

- Pre-Payment: You may prepay the contributions that will become due during your *FMLA* leave. Under this option, you may take contributions on a pre-tax basis from any available compensation.
- Pay-As-You-Go: You may pay the contributions that become due during your *FMLA* leave on the same schedule as they would otherwise be taken from your pay, on the schedule for *COBRA* payments, under the *employer's* existing rules for payment, or on any other schedule agreed upon by you and the *Plan Administrator*.
- Catch-Up: The *Plan Sponsor* may advance the contributions on your behalf, and may recoup the contributions upon your return from *FMLA* leave.

The Pre-Payment and the Catch-Up option may not be offered without also offering the Pay-As-You-Go option.

FMLA leave is treated as a change in status. Therefore, when beginning and/or returning from a qualified leave, you must complete a change in status form.

May I continue participation while I am absent under *USERRA*?

If you are absent from employment because you are in the *uniformed service*, you may elect to continue your coverage under this *Plan* for up to 24 months. To continue your coverage, you must comply with the terms of the

ELIGIBILITY FOR PARTICIPATION (Continued)

Plan, including election during the *Plan's annual enrollment period*, and pay your contributions in accordance with the options outlined above for a *participant* who goes on *FMLA leave*.

When does my participation end?

If you terminate employment with the *employer*, your participation in this *Plan* will terminate on the last day you are *actively at work* unless you elect to continue your participation in accordance with the guidelines provided in the “*COBRA continuation coverage*” section. Any *qualified medical flexible spending expenses* or *qualified dependent care flexible spending expenses incurred* during the *plan year* prior to the date of termination will be reimbursed by the *Plan* in accordance with the guidelines in the section, “*Benefits*.” Your participation in this *Plan* will also terminate if the *employer* decides to terminate this *Plan*, or if you voluntarily decide not to participate under the terms of this *Plan*.

If your participation in this *Plan* terminates because you are no longer eligible to participate, you may either revoke your election to participate and terminate your participation in the *Plan* for the remainder of the *plan year* or continue your participation in accordance with the “*COBRA continuation of coverage*” section. If you do not make payments as required under *COBRA*, it will be assumed that you elected to revoke your participation in this *Plan*.

If your employment terminates, and you return to eligible employment with your *employer* within 30 days, you may rejoin the *Plan* provided that you keep your original election for that *plan year*.

If your employment terminates, and you return to eligible employment with your *employer* more than 30 days following termination of your participation, you may rejoin the *Plan* and make a new election after you satisfy the eligibility requirements, as long as the termination was not for the purpose of altering the original election.

If you do not complete and file a *salary contribution agreement* during the *annual enrollment period*, your participation will end at the end of the *plan year*.

COBRA continuation of coverage for contributions to a qualified medical flexible spending account

If you are a *participant* in the *Plan*, you, your *spouse* or your *dependents* may be eligible for continued coverage under *COBRA* for contributions made to a *qualified medical flexible spending account*. *COBRA* may give you the right to continue your benefits under a *qualified medical flexible spending account* beyond the date that they might otherwise terminate. The entire cost (plus a reasonable administration fee) must be paid by you. Coverage will end in certain instances, including if you fail to make timely payment of premiums. Generally, *COBRA* applies to employers with 20 or more employees. You should check with your *employer* to see if *COBRA* applies to you.

When am I eligible for COBRA?

You may elect *COBRA* coverage if a *qualifying event* occurs and results in a loss of participation in the *qualified medical flexible spending account* component of the *Plan*, such as:

- The death of the *participant*.
- The termination of the *participant's* employment (other than by reason of the *participant's* gross misconduct) or reduction in the *participant's* hours of employment.
- The divorce or legal separation of the *participant* from his *spouse*.
- A *dependent* child ceases to be a *dependent* under the terms of the *Plan*.
- The *participant* becomes entitled to *Medicare* benefits.

You may not elect *COBRA* to continue coverage under the *premium only plan* or the *qualified dependent care flexible spending account* component of the *Plan*.

ELIGIBILITY FOR PARTICIPATION (Continued)

In the event that the *COBRA* premium for the remainder of the *plan year* exceeds the maximum benefit still available under the *qualified medical flexible spending account* as of the date of the *qualifying event*, the *Plan Administrator* has the option to either not offer *COBRA* continuation coverage, or offer the coverage for the remainder of the *plan year*.

Who may elect *COBRA* coverage?

The following people are known as *qualified beneficiaries* and may elect *COBRA* coverage that will include the benefits to which they were entitled to under the *Plan* on the day before one of the above *qualifying events*:

- The *spouse* or any *dependent* child of the *participant* under the *Plan*.
- The *participant*, if the *qualifying event* is the termination of coverage due to termination of employment or reduction in hours.

If a *dependent* under the *Plan* who is also a *qualified beneficiary* has a newborn child, adopts a child, or a child is placed for adoption with that *dependent*, that child will be entitled to the same *COBRA* coverage period, but will not become a *qualified beneficiary* in his own right.

If you have a newborn child, adopt a child, or a child is placed for adoption with you, that child will become a *qualified beneficiary* in his own right.

Who must be notified when a *qualifying event* occurs?

For *qualifying events* such as divorce, legal separation or change in *dependent* status, you must inform the *Plan Administrator* of the event within 31 days of the event. For *qualifying events* such as death, termination or reduction in hours, entitlement to *Medicare*, bankruptcy or failure to return from leave under the *FMLA*, the *employer* has 30 days from the date of the *qualifying event*, or the date that you will lose coverage due to the *qualifying event*, in which to notify the *Plan Administrator*. The *Plan Administrator* has the obligation to furnish you, your *spouse* and your *dependents*, if they are eligible to receive benefits under this *Plan*, with separate, written options to continue coverage within 14 days of receiving notice of the *qualifying event*.

You must notify the *Plan Administrator* within 31 days of a child's birth, adoption, or placement for adoption in order to add the child to the continuation coverage.

What is the cost of *COBRA* coverage?

If you are eligible for and choose to continue coverage, you may be required to pay up to 102% of the actual cost of coverage. This contribution will be on an after-tax basis.

How long may coverage be continued?

If you have experienced a *qualifying event* and have a positive balance in your *qualified medical flexible spending account* at the time of the event (taking into account all claims submitted before the date of the event), you may be eligible to continue participation in this *Plan* under *COBRA*. Your *COBRA* coverage period ends on the last day of the *plan year* in which the *qualifying event* occurs.

What is the effect of the Trade Act?

Two provisions under the Trade Act of 2002 (the "Trade Act") affect the benefits that you may receive under *COBRA*. First, if you lose your job due to international trade agreements you may receive a 65% tax credit for premiums paid for certain types of health insurance, including *COBRA* premiums. Also, if you lose your job due to international trade agreements, you may be allowed an additional 60-day period to elect *COBRA* continuation coverage. If you elect continuation during this second election period, the coverage period will run from the beginning date of the second election period. You should consult the *Plan Administrator* if you believe the *Trade Act* applies to you.

BENEFITS

Qualified medical flexible spending expenses

If you elect to contribute to a *medical flexible spending account*, the *Plan* will reimburse you for *qualified medical flexible spending expenses* which are *incurred* by you, your *spouse*, or your *dependent* during the *plan year*.

Reimbursement for *qualified medical flexible spending expenses* is limited to the total amount you elected under your *salary contribution agreement* to contribute to your *qualified medical flexible spending account* for the *plan year* plus, if applicable, any amount carried over from the previous year. It is important to keep in mind that you cannot use amounts contributed to a *qualified dependent care flexible spending account* to pay *qualified medical flexible spending expenses*.

Carryover of Unused Funds

If you have an unused balance remaining in your *qualified medical flexible spending account* at the end of the *plan year* (and after all reimbursement requests for the *plan year* have been processed), a portion or all of your unused balance will carry over for use in the following *plan year*, up to a maximum carryover amount of \$500, but only if you are still a participant for purposes of the *qualified medical flexible spending account* on the last day of the *plan year*. No carryover provision applies to *dependent care flexible spending accounts*.

Qualified medical flexible spending expenses are *health care expenses* which are excludable as income according to Code § 105(b). *Qualified medical flexible spending expenses* may not be otherwise reimbursable under the *benefit plan* or other plan or by any other entity, and they may not be claimed as a tax deduction by the *participant*. *Qualified medical flexible spending expenses* do not include the cost of insurance premiums.

Qualified dependent care flexible spending expenses

If you have elected to contribute to a *dependent care flexible spending account*, the *Plan* will reimburse you for *qualified dependent care flexible spending expenses* which are *incurred* by you during the *plan year*.

Reimbursement for *qualified dependent care flexible spending expenses* is limited to the annualized amount you elected under your *salary contribution agreement* to contribute to a *qualified dependent care flexible spending account* for the *plan year*. Such expenses include amounts paid for daycare and other household services and for the care of *qualifying individuals* enabling you to be gainfully employed.

BENEFITS (Continued)

What are examples of qualified and non-qualified dependent care flexible spending expenses?

The examples listed in this section are intended only to give you a convenient reference to the types of expenses that may be eligible for reimbursement. Determination of eligible expenses will be in accordance with *Code* §§ 21 and 129, as stated at the time the expense is *incurred*.

Benefit costs

By electing to participate in the *premium only plan*, your portion of the *benefit costs* will be taken out of your salary and paid using pre-tax dollars.

Debit card feature

Qualified medical flexible spending expenses may be purchased directly from the merchant or provider of services through the use of a *debit card*. This is a very convenient way to access the benefits of the *Plan*. Here is how the *debit card* feature works:

When you enroll in the *Plan* each year, you must certify that the *debit card* will only be used for either *qualified medical flexible spending expenses*, as defined in *Code* § 213(d). You must also certify that you will not pay any expense with the *debit card* that has been reimbursed and that you will not seek reimbursement for the expense under any other plan covering health benefits or dependent care, respectively. The certification will be printed on your *debit card*, and by using the card, you will reaffirm the certification each time you use the *debit card*.

When you use the *debit card* at the point-of-sale, the merchant or provider of service is paid the full amount of the *qualified medical flexible spending expense* (assuming there is sufficient coverage in your account), and your maximum available coverage remaining is reduced by that amount. Your use of the *debit card* is limited to the maximum dollar amount of coverage available in your *qualified medical flexible spending account*.

BENEFITS (Continued)

Your *debit card* is ineffective except at those merchants and providers of service authorized by the *Plan*, so that the use of the card at other merchants or service providers will be rejected. The *Plan* limits the *debit card's* use to specified Merchant Codes relating to covered health care or dependent care. Thus, the *debit card's* use is limited to physicians, pharmacies, dentists, vision care offices, hospitals and other medical care providers of service.

Your *debit card* can be used to pay for over-the-counter medicine or drugs from your *qualified medical flexible spending account* at drug stores and pharmacies (and at non-health care merchants that have pharmacies, and at mail order and web-based vendors that sell prescription drugs) only if the following requirements are met:

- (1) prior to purchase, (i) the prescription for the over-the-counter medicine or drug is presented to the pharmacist; (ii) the over-the-counter medicine or drug is dispensed by the pharmacist in accordance with applicable law; and (iii) an Rx number is assigned;
- (2) the pharmacy or other vendor retains, in a manner that meets IRS's recordkeeping requirements: (i) the Rx number; (ii) the name of the purchaser or person for whom the prescription applies; and (iii) the date and amount of the purchase;
- (3) all of these records are available to the employer upon request;
- (4) the *debit card* system will not accept a charge for an over-the-counter medicine or drug unless an Rx number has been assigned; and
- (5) the use of the *debit card* complies with all applicable regulations and other authoritative guidance regarding the use of debit cards for *qualified medical flexible spending account* reimbursements, including substantiation requirements.

In addition, your *debit card* may also continue to be used to purchase over-the-counter medicines or drugs from vendors other than those described above that have health care-related "Merchant Codes" as described in Rev. Rul. 2003-43, including physicians, pharmacies, dentists, vision care offices, hospitals, and other medical care providers. If all other requirements in the preceding paragraph are satisfied, then these *debit card* transactions will be considered fully substantiated.

Your *debit card* may continue be used to purchase over-the-counter medicines and drugs at "90% pharmacies" with at least 90% of the store's gross receipts during the prior tax year consisting of qualified medical care expenses under Code Sec. 213(d).

For all other providers and merchants, you will have to file a paper claim reimbursement form.

You must agree to acquire and retain sufficient documentation for any expense paid with the *debit card*, including invoices and receipts where appropriate. All charges to the *debit card* are treated as conditional pending confirmation of the eligibility of the charge through your documentation. Within 90 days of using your *debit card*, you must submit an invoice or receipt from the merchant or provider of service, including the information required under either Sections "How do I file a claim for *qualified medical flexible spending expenses*".

Substantiation of *qualified medical flexible spending expenses* will be satisfied without additional documentation when:

- The dollar amount of the transaction at a health care provider exactly equals the dollar amount of the copayment under the *benefit plan* for that service;
- The expense is a recurring expense that exactly matches a previously approved *qualified medical flexible spending expense* at this provider for the same time period;

BENEFITS (Continued)

- Verification is provided to the *Plan* through “real-time substantiation” that the expense is a *qualified medical flexible spending expense* by the provider of service, merchant or independent third party (e.g., Pharmacy Benefit Manager).

You should verify that the *Plan Administrator* considers any expenses substantiated.

If the *Plan Administrator* finds that any claims have been paid that are not for *qualified medical flexible spending expenses*, you are required to refund any amount so identified to the appropriate account. If you fail to promptly refund the overpayment to the *Plan*, the amount may be withheld from your wages or other compensation to the extent permitted by law. In addition, the *Plan* reserves the right to suspend your use of the *debit card* and/or credit the overpayment against other *qualified medical flexible spending expenses*, that you may submit until the overpayment refund is satisfied.

Your *debit card* will automatically be cancelled if your employment terminates or if your participation in the *plan* otherwise terminates.

Must I file a claim for benefits under the *premium only plan*?

No, it is not necessary to file a claim for benefits under a *premium only plan*.

How do I file a claim for benefits under a *qualified medical flexible spending account* if it is not a self-substantiating debit charge?

You must submit a properly completed and documented claim to:

Meritain Health, Inc.
P.O. Box 30111
Lansing, MI 48909
1-800-748-0003

It must include the following information:

- The name of the person or persons on whose behalf the expenses have been *incurred*.
- The nature of the expenses *incurred* (that is, a description of the services or supplies being claimed).
- The date the expenses were *incurred*.
- Evidence that such expenses have not otherwise been paid, or are otherwise payable, through any coverage (insured or self-insured) or fee-for-service arrangement, or from any other source.

The claim must include written evidence from an independent third party documenting the above information. If the expenses are not reimbursable under any *benefit plan*, include a copy of the provider’s statement that shows the date(s) of service, an explanation of services, and the name of the provider, along with a copy of the Explanation of Benefits or denial letter(s) from the *benefit plan*(s). Canceled checks or balance due statements are not acceptable.

You must also submit a signed statement in a form furnished and approved by the *Plan Administrator* certifying that the expenses for which you are seeking reimbursement are expenses which you believe in good faith are eligible for reimbursement under the *Plan*.

The *Plan Administrator*, in its sole discretion, reserves the right to verify to its satisfaction the eligibility of all claimed expenses prior to reimbursement and to refuse to reimburse any amounts that it determines are not eligible for reimbursement under this *Plan*.

The *Plan* will pay properly submitted claims for reimbursement at such intervals as the *Plan Administrator* may consider appropriate.

The social security number or the federal tax identification number of the provider **must** appear on the claim form or receipt. The individual who provides the care cannot be your *spouse* or a *dependent* under the age of 19.

The *Plan Administrator*, in its sole discretion, reserves the right to verify to its satisfaction the eligibility of all claimed expenses prior to reimbursement and to refuse to reimburse any amounts that it determines are not eligible for reimbursement under this *Plan*.

The *Plan* will pay properly submitted claims for reimbursement at such intervals as the *Plan Administrator* may consider appropriate.

Is there a time limit for filing claims?

All claims for reimbursement must be submitted by March 31st following the end of the *plan year*, or if earlier, 90 days following the date you cease to participate in the *Plan*, or the claims will be denied.

Is there a minimum claim amount?

There is no minimum amount you may submit for reimbursement for *qualified medical flexible spending expenses* or for the for *qualified dependent care flexible expenses*, except at the end of the *plan year* in which the expense was *incurred*.

What if my *qualified medical flexible spending account balance* or my *qualified dependent care flexible spending account balance* is less than my claim?

Reimbursement for *qualified medical flexible spending expenses* is limited to the annualized amount that you have elected to reduce your salary or wages and contribute to the *qualified medical flexible spending account* for the *plan year* under a valid *salary contribution agreement*. Reimbursement for *qualified dependent care flexible spending expenses* is limited to the amount that you have elected to reduce your salary or wages to contribute to the *qualified dependent care flexible spending account* for the *plan year* under a valid *salary contribution agreement* for that *plan year*.

To the extent that it is not used to pay claims, the amount of contributions to your *qualified medical flexible spending account* will accumulate throughout the *plan year*. If you submit an eligible claim during the *plan year* in an amount that exceeds your current *qualified medical flexible spending account* balance, the *Plan* will reimburse your claim expense up to the annualized amount of contributions, less any amounts already used to pay claims. Your salary contribution election amount will continue to be taken for the remainder of the *plan year*.

To the extent that it is not used to pay claims, the amount of contributions to your *qualified dependent care flexible spending account* will also accumulate throughout the *plan year*. If you submit an eligible claim during the *plan year* in an amount that exceeds your current *qualified dependent care flexible spending account* balance, the *Plan* will reimburse your claim expense up to the total amount of contributions in your *qualified dependent care flexible spending account*, less any amounts already used to pay claims. As contribution amounts become available in your *qualified dependent care flexible spending account*, they may be used to reimburse any unpaid balance from a previously submitted *qualified dependent care flexible spending expense*. At no time during the *plan year* will the amount paid for claims exceed the amount of contributions made to the *qualified dependent care flexible spending account*.

In no instance can amounts contributed to a *qualified medical flexible spending account* be used to reimburse *qualified dependent care flexible spending expenses*, or vice versa.

BENEFITS (Continued)

You have until March 31st after the end of the *plan year* to submit a claim for reimbursement for any *qualified medical flexible spending expenses* and *qualified dependent care flexible spending expenses incurred* during that *plan year*, or if earlier, 90 days following the date you cease to participate in the applicable spending account. Claims submitted after that time has passed will be denied. Any amount remaining in a flexible spending account after all timely submitted claims for reimbursement have been processed will be forfeited , except for any amount that may be carried over to a *qualified medical flexible spending account* for the next *plan year* (as described under “*Carryover of Unused Funds*”). No carryover provision applies to *dependent care flexible spending accounts*.

FUNDING

How is a *qualified medical flexible spending account* funded?

Your *qualified medical flexible spending account* is funded by the amounts that you elect to contribute to the account by executing a valid *salary contribution agreement*. *Qualified medical flexible spending expenses* will be reimbursed to you to the extent of the amount you have elected to reduce your salary or wages for the *plan year* under a valid *salary contribution agreement*.

Your annual salary or wage may be reduced in an amount not to exceed \$2,500 or any other amount established by the *Plan Sponsor* for each *plan year* and communicated to you prior to the *annual enrollment period*. The salary contribution amount elected will be funded pro rata over the number of consecutive pay periods in the *plan year*.

The *Plan Administrator* will establish an individual *qualified medical flexible spending account* for each *participant*, and will credit to each *participant's* account the salary contribution amounts elected.

The *Plan* will reimburse you for *qualified medical flexible spending expenses* as described in the “Benefits” section.

How is a *qualified dependent care flexible spending account* funded?

The *Plan Administrator* will establish an individual *qualified dependent care flexible spending account* for you and will credit to your account the amounts taken out of your pay for each pay period.

The *Plan* will reimburse you for *qualified dependent care flexible spending expenses* as described in the “Benefits” section.

How much can I elect to contribute to my *qualified dependent care flexible spending account*?

If you are not married you may contribute up to \$5,000 to a *qualified dependent care flexible spending account*; however, in the event that your *earned income* is less than \$5,000, you may contribute an amount not to exceed your *earned income* for the taxable year. If you begin participation in the middle of the *plan year* you may contribute up to \$5,000 less any amounts that you have contributed to any other *qualified dependent care flexible spending account* during the *plan year*.

If you are married, you may contribute an amount up to the lesser of the *earned income* of you or your *spouse*, not to exceed \$5,000. If you and your *spouse* file separate tax returns, you may elect to contribute an amount up to \$2,500 to the *Plan*. If you begin participation in the middle of the *plan year* you may contribute up to \$5,000, or \$2,500 if you and your *spouse* file separately, less any amounts that you have contributed to any other *qualified dependent care flexible spending account* during the *plan year*.

If your *spouse* is a full-time *student*, for each month in which he is a full-time *student*, for the purpose of determining how much you can contribute under this plan, he will be considered to be gainfully employed, and to have *earned income* of not less than \$250 per month if there is one *qualifying individual* with respect to the taxpayer for the taxable year and not less than \$500 per month if there are two or more *qualifying individuals* with respect to the taxpayer for the taxable year.

FUNDING (Continued)

Minimum Election Amounts

There is no minimum amount you may elect to contribute to your *qualified medical flexible spending account* or to your *qualified dependent care flexible spending account* each year.

How is a *premium only plan* funded?

The *premium only plan* is funded by your contributions under a *salary contribution agreement* with the *employer*. The contribution amounts paid under the *salary contribution agreement* will be adjusted automatically during a *plan year* to reflect changes in the *benefit cost*.

Order of funding

The total salary contribution amount for this *Plan* for any one time period may not exceed the amount of your salary or wages for that period. In the event that the total elected amount exceeds your salary or wages for a period, amounts available shall be used to fund the accounts in the following order: the *premium only plan*, the *qualified medical flexible spending account*, then the *qualified dependent care flexible spending account*. The total salary contribution amount will be reduced by the amount it exceeds your salary or wages for that period; however, future contributions will be adjusted to compensate for such reduction.

Accounting

The *Plan Administrator* will maintain complete records of all amounts to be credited as a contribution or debited as a reimbursement of *qualified medical flexible spending expenses* or *qualified dependent care flexible spending expenses* on behalf of each *participant*. All contributions will be held as part of the general assets of the *employer*. No trust fund will be established and no other segregation or investment of assets will be made to maintain accounts of contributions under this *Plan*.

SALARY CONTRIBUTION AND DISCRIMINATION

Election period for salary contribution

To participate in a *qualified medical flexible spending account*, *qualified dependent care flexible spending account*, or to pay for health coverage for a *plan year*, you must complete and file with the *Plan Administrator* an appropriate *salary contribution agreement* election form as described in the section, “Eligibility for Participation.” You should carefully consider the amount you elect to contribute for either of these accounts because federal tax law requires that you forfeit any unused amount if you do not incur enough eligible expenses during the *plan year*, except for any amount that may be carried over to a *qualified medical flexible spending account* for the next *plan year* (as described under “Carryover of Unused Funds”).

Termination, revocation, or amendment of salary contribution elections

Your *salary contribution agreement* election for a *plan year* will terminate at the end of the *plan year*. You must make an affirmative election for a new salary contribution for each *plan year*. However, with regard to the *premium only plan* only, once you have elected to participate in a *premium only plan*, your participation will continue from *plan year* to *plan year* unless you affirmatively elect to cancel or change that participation by completing the appropriate salary contribution agreement.

Termination, revocation, or amendment of salary contribution elections may only be made by you in accordance with the section, “Eligibility for Participation,” “May I make mid-year changes?”.

Forfeiture of salary contribution amounts

If you fail to claim any amounts in the *qualified medical flexible spending account*, *qualified dependent care flexible spending account*, or *premium only plan* within the time limits specified in the section, “Benefits,” “Is There a Time Limit for Filing Claims?,” such amounts will be forfeited by you to the *Plan Sponsor*.

Reduction of salary contribution elections to prevent discrimination in favor of prohibited group(s)

The *Plan* is intended not to discriminate in favor of highly compensated individuals as to eligibility to participate, contributions and benefits and is intended to comply in this respect with the requirements of the *Code*. If, in the judgment of the *Plan Administrator*, the operation of the *Plan* in any *plan year* would result in such discrimination, then the *Plan Administrator* shall select and exclude from coverage under the *Plan* such highly compensated individuals who are *participants*, and/or reduce contributions under the *Plan* by highly compensated individuals who are *participants*, to the extent necessary to assure that, in the judgment of the *Plan Administrator*, the *Plan* does not discriminate.

The *Plan Administrator* will have the full authority to reduce the salary contribution elections of *participants* who are members of the prohibited group(s) under *Code* §§ 105(h) or 125, to the extent necessary to prevent the *Plan* from discriminating in favor of such prohibited group(s).

Determination of noncompliance

In the event that a determination is made that all or any part of the contributions to the *Plan* do not qualify as non-taxable contributions to a “cafeteria plan” under *Code* § 125, the affected contributions made by any *participant* will be treated as salary, and any unpaid balance in the *qualified medical flexible spending expense account*, the *qualified dependent care flexible spending account* and the *premium only plan* will be returned to the *participant*. The *participant* must pay:

- Any state or federal income taxes due with respect to such amount, together with any interest or penalties imposed;
- The *participant’s* share (as determined in good faith by the *employer*) of any applicable FICA or FUTA contributions which would have been withheld from such amounts by the *employer* had such amounts been treated as salary and not as *qualified medical flexible spending expenses*, *qualified dependent care flexible spending expenses*, or *benefit costs*; and

SALARY CONTRIBUTION AND DISCRIMINATION (Continued)

- An amount (as determined in good faith by the *employer*) equal to the portion of any applicable penalties and interest payable by the *employer* as the result of the failure to withhold and pay such amounts to the appropriate payee allocable to the *participant*.

PLAN ADMINISTRATION

Who has the authority to make decisions in connection with the Plan?

The *Plan* is administered by the *Plan Administrator* in accordance with *ERISA*. The *Plan Administrator* has retained the services of the *third party administrator* to provide certain claims processing and other ministerial services. An individual or entity may be appointed by the *Plan Sponsor* to be *Plan Administrator* and serve at the convenience of the *Plan Sponsor*. If the *Plan Administrator* resigns, dies, is otherwise unable to perform, is dissolved, or is removed from the position, the *Plan Sponsor* will appoint a new *Plan Administrator* as soon as reasonably possible.

The *Plan Administrator* will administer this *Plan* in accordance with its terms and establish its policies, interpretations, practices, and procedures. It is the express intent of this *Plan* that the *Plan Administrator* will have maximum legal discretionary authority to construe and interpret the terms and provisions of the *Plan*, to make determinations regarding issues which relate to eligibility for benefits (including the determination of what services, supplies, care and treatments are not *qualified medical flexible spending expenses, qualified dependent care flexible spending expenses, or benefit costs*), to decide disputes which may arise relative to a *participant's* rights, and to decide questions of *Plan* interpretation and those of fact relating to the *Plan*. The decisions of the *Plan Administrator* as to the facts related to any claim for benefits and the meaning and intent of any provision of the *Plan*, or its application to any claim, shall receive the maximum deference provided by law and will be final and binding on all interested parties. Benefits under this *Plan* will be paid only if the *Plan Administrator* decides, in its discretion, that the *participant* is entitled to them.

The duties of the *Plan Administrator* include the following:

- To administer the *Plan* in accordance with its terms;
- To determine all questions of eligibility, status and coverage under the *Plan*;
- To interpret the *Plan*, including the authority to construe possible ambiguities, inconsistencies, omissions and disputed terms;
- To make factual findings;
- To decide disputes which may arise relative to a *participant's* rights;
- To prescribe procedures for filing a claim for benefits, to review claim denials and appeals relating to them and to uphold or reverse such denials;
- To keep and maintain the *Plan* documents and all other records pertaining to the *Plan*;
- To appoint and supervise a *third party administrator* to pay claims;
- To perform all necessary reporting as required by *ERISA*;
- To establish and communicate procedures to determine whether *MCSOs and NMSNs* are *QMCSOs*;
- To delegate to any person or entity such powers, duties and responsibilities as it deems appropriate; and
- To perform each and every function necessary for or related to the *Plan's* administration.

May changes be made to the Plan?

The *Plan Sponsor* expects to maintain this *Plan* indefinitely; however, the *Plan Sponsor* may, in its sole discretion, at any time, amend, suspend or terminate the *Plan* in whole or in part. This includes amending the benefits under the *Plan*.

PLAN ADMINISTRATION (Continued)

Any such amendment, suspension or termination shall be enacted, if the *Plan Sponsor* is a corporation, by resolution of the *Plan Sponsor's* directors and officers, which shall be acted upon as provided in the *Plan Sponsor's* articles of incorporation or bylaws, as applicable, and in accordance with applicable federal and state law. Notice shall be provided as required by *ERISA*. In the event that the *Plan Sponsor* is a different type of entity, then such amendment, suspension or termination shall be taken and enacted in accordance with applicable federal and state law and any applicable governing documents. In the event that the *Plan Sponsor* is a sole proprietorship, then such action shall be taken by the sole proprietor, in his own discretion.

If the *Plan* is terminated, the rights of *participants* are limited to expenses *incurred* before termination. All amendments to this *Plan* shall become effective as of a date established by the *Plan Sponsor*.

Additional operating rules

A *participant's* salary contribution amount will not be subject to federal income tax withholding or to applicable Social Security (FICA or FUTA) tax withholding. Salary contribution amounts will not be subject to any state income tax withholding unless otherwise prohibited by applicable state law.

Salary contribution amounts under this *Plan* shall not reduce salary or wage for purposes of any other employer sponsored employee benefit programs unless the provisions of those programs otherwise provide.

MISCELLANEOUS INFORMATION

Will the *Plan* release my information to anyone?

For the purpose of determining the applicability of and implementing the terms of these benefits, the *Plan Administrator* may, without the consent of or notice to any person, release or obtain any information necessary to determine the acceptability of any applicant or *participant* for benefits under this *Plan*. In so acting, the *Plan Administrator* shall be free from any liability that may arise with regard to such action; however, the *Plan Administrator* at all times will comply with the *privacy standards*. Any *participant* claiming benefits under this *Plan* shall furnish to the *Plan Administrator* such information as may be necessary to implement this provision.

What if the *Plan* makes an error?

Clerical errors made on the records of the *Plan* and delays in making entries on such records shall not invalidate participation nor cause participation to be in force or to continue in force. Rather, the effective dates of participation shall be determined solely in accordance with the provisions of this *Plan* regardless of whether any contributions with respect to *participants* have been made or have failed to be made because of such errors or delays. Upon discovery of any such error or delay, an equitable adjustment of any such contributions will be made.

In the event that it has determined that the *Plan Administrator* has mistakenly reimbursed an expense which did not qualify under the terms of the *Plan*, the *Plan Administrator* may adjust your pay and appropriately credit the *qualified medical flexible spending account*, *qualified dependent care flexible spending account* or *premium only plan*.

Will the *Plan* conform with applicable laws?

This *Plan* shall be deemed automatically to be amended to conform as required by any applicable law, regulation or the order or judgment of a court of competent jurisdiction governing provisions of this *Plan*, including, but not limited to, stated maximums, exclusions or limitations. In the event that any law, regulation or the order or judgment of a court of competent jurisdiction causes the *Plan Administrator* to pay claims that are otherwise limited or excluded under this *Plan*, such payments will be considered as being in accordance with the terms of this *summary plan description*. It is intended that the *Plan* will conform to the requirements of *ERISA*, as it applies to employee welfare plans, as well as any other applicable law.

When must legal actions be filed?

Any action with respect to a fiduciary's breach of any responsibility, duty or obligation hereunder must be brought within one year after the *benefit costs*, *qualified medical flexible spending expenses* or *qualified dependent care flexible spending expenses* are *incurred* or are alleged to have been *incurred*. Any limitation on actions regarding claims for benefits shall be as provided in the section entitled "Claims Review Procedures."

What constitutes a fraudulent claim?

The following actions by you, or your knowledge of such actions being taken by another, constitute fraud and will result in immediate termination of participation under this *Plan*:

- Attempting to submit a claim for benefits (which includes attempting to fill a prescription) for a person other than you, your *spouse* or your *dependent* according to the *Plan*;
- Attempting to file a claim for services that were not rendered or drugs or other items that were not provided;
- Providing false or misleading information in connection with enrollment in the *Plan*; or
- Providing any false or misleading information to the *Plan*.

How will this document be interpreted?

The use of masculine pronouns in this *summary plan description* shall apply to persons of both sexes unless the context clearly indicates otherwise. The headings used in this *summary plan description* are used for convenience of reference only. *Participants* are advised not to rely on any provision because of the heading.

MISCELLANEOUS INFORMATION (Continued)

The use of the words, “you” and “your” throughout this *summary plan description* applies to *participants*.

Is this *summary plan description* a contract between the employer and *participants*?

This *summary plan description* and any amendments constitute the terms and provisions of coverage under this *Plan*. The *summary plan description* shall not be deemed to constitute a contract of any type between the *employer* and any *participant* or to be consideration for, or an inducement or condition of, the employment of any *employee*. Nothing in this *summary plan description* shall be deemed to give any *employee* the right to be retained in the service of the *employer* or to interfere with the right of the *employer* to discharge any *employee* at any time.

May I appoint an authorized representative?

A *participant* is permitted to appoint an authorized representative to act on his behalf with respect to a benefit claim or appeal of a denial. To appoint such a representative, the *participant* must complete a form which can be obtained from the *Plan Administrator* or the *third party administrator*. In the event a *participant* designates an authorized representative, all future communications from the *Plan* will be with the representative, rather than the *participant*, unless the *participant* directs the *Plan Administrator*, in writing, to the contrary.

How will the *Plan* pay benefits?

All benefits under this *Plan* are payable, in U.S. Dollars, to the *participant* or, if appropriate, the *alternate recipient*. In the event of the death or incapacity of a *participant* and in the absence of written evidence to this *Plan* of the qualification of a guardian for his estate, the *Plan Administrator* may, in its sole discretion, make any and all payments due under the *plan* to the individual or institution which, in the opinion of the *Plan Administrator*, is or was providing the care and support of such *participant*.

What if my claim is for non-U.S. Providers?

Qualified medical flexible spending expenses and *qualified dependent care flexible spending expenses* for care, supplies or services which are rendered by a provider whose principal place of business or address for payment is located outside the United States (a “*non-U.S. provider*”) may be reimbursed under the following conditions:

- The *participant* is responsible for making all payments to *non-U.S. providers*, and submitting receipts to the *Plan* for reimbursement;
- Benefit payments will be determined by the *Plan* based upon the exchange rate in effect on the *incurred* date;
- The *non-U.S. provider* shall be subject to, and in compliance with, all requirements under *Code* § 105; and
- Claims for benefits must be submitted to the *Plan* in English.

How will the *Plan* recover payments made in error?

Whenever the *Plan* pays benefits exceeding the amount of benefits payable under the terms of the *Plan*, the *Plan Administrator* has the right to recover any such erroneous payment directly from the person or entity who received such payment and/or from the *participant* on whose behalf such payment was made.

A *participant*, *spouse*, *dependent*, provider, another benefit plan, insurer, or any other person or entity who receives a payment made in error under the terms of the *Plan*, shall return the amount of such erroneous payment to the *Plan* within 30 days of discovery or demand. The *Plan Administrator* shall have no obligation to secure payment for the expense for which the erroneous payment was made or to which it was applied.

The person or entity receiving an erroneous payment may not apply such payment to another expense. The *Plan Administrator* shall have the sole discretion to choose who will repay the *Plan* for an erroneous payment and whether such payment shall be reimbursed in a lump sum or other arrangement, as agreed.

Participants accepting payment from the *Plan*, in consideration of such payments, agree to be bound by the terms of this *Plan* and agree to submit claims for reimbursement in strict accordance with the requirements of this *Plan*. Any payments made on claims for reimbursement not in accordance with the above provisions shall be repaid to the *Plan*

MISCELLANEOUS INFORMATION (Continued)

within 30 days of discovery or demand or incur prejudgment interest of 1.5% per month. If court action is necessary to recover any erroneous payment, the *Plan* shall be entitled to recover its litigation costs and actual attorneys' fees incurred.

How will the *Plan* handle *medical child support orders*?

The *Plan Administrator* shall adhere to the terms of any *medical child support order* that satisfies the requirements of this section and Section 609 of *ERISA*. The *Plan Administrator* shall enroll for immediate coverage under this *Plan* any *alternate recipient* who is the subject of a *medical child support order* that is a *qualified medical support order* if such an individual is not already covered by the *Plan* as a *dependent*.

The *Plan Administrator* shall promptly notify the *participant* and each *alternate recipient* of:

- The receipt of a *medical child support order* by the *Plan*; and
- The *Plan*'s procedures for determining the qualified status of *medical child support orders*.

Within a reasonable period after receipt of a *medical child support order*, the *Plan Administrator* shall determine whether such order is a *qualified medical child support order* and shall notify the *participant* and each *alternate recipient* of such determination. If the *participant* or any affected *alternate recipient* disagrees with the determinations of the *Plan Administrator*, the disagreeing party shall be treated as a claimant and the claims procedure provided in the section, "Claims Review Procedures," of the *Plan* shall be followed. The *Plan Administrator* may bring an action for a declaratory judgment in a court of competent jurisdiction to determine the proper recipient of the benefits to be paid by the *Plan*.

Upon receiving a *national medical support notice*, the *Plan Administrator* shall:

- Notify the state agency issuing the notice with respect to the child whether coverage of the child is available under the *Plan*, and if so:
 - Whether the child is covered under the *Plan*; and
 - Either the effective date of the coverage or, if necessary, any steps to be taken by the custodial parent or by the official of a state or political subdivision to effectuate the coverage; and
- Provide to the custodial parent (or any state official serving in a substitute capacity) a description of the coverage available and any forms or documents necessary to effectuate such coverage.

To give effect to this requirement, the *Plan Administrator* shall:

- Establish reasonable, written procedures for determining the qualified status of a *medical child support order* or a *national medical support notice*; and
- Permit any *alternate recipient* to designate a representative for receipt of copies of the notices that are sent to the *alternate recipient* with respect to the order.

Payments made under this *Plan* pursuant to a *medical child support order* described in this section in reimbursement for expenses paid by the *alternate recipient* or the *alternate recipient's* custodial parent or legal guardian shall be made to the *alternate recipient* or the *alternate recipient's* custodial parent or legal guardian.

Will the *Plan* provide a statement of benefits?

On or before January 31st of each year, the *Plan Administrator* will furnish each *participant* who received benefits under the *Plan* a written statement showing the amounts paid or the expenses incurred by the *Plan Sponsor* in providing reimbursement under the *Plan* for *qualified dependent care flexible spending expenses*, *qualified medical flexible spending expenses*, and *benefit costs* for the prior *plan year*.

CLAIMS REVIEW PROCEDURE

Upon receipt of complete information, the claim will be deemed to be filed with the *Plan*. The *third party administrator* will determine if enough information has been submitted to enable proper consideration of the claim. If not, more information may be requested as provided herein. This additional information must be received by the [*third party administrator* within 45 days from receipt by the *participant* of the request for additional information. **Failure to do so may result in claims being declined or reduced.**

Timing of claim decisions

The *Plan Administrator* shall notify you, in accordance with the provisions set forth below, of any adverse benefit determination within the following timeframes:

- If you have provided all of the information needed to process the claim, in a reasonable period of time, but not later than 30 days after receipt of the claim, unless an extension has been requested, then prior to the end of the 15-day extension period.
- If you have not provided all of the information needed to process the claim and additional information is requested during the initial processing period, then you will be notified of a determination of benefits prior to the end of the extension period, unless additional information is requested during the extension period, then you will be notified of the determination by a date agreed to by you and the *Plan Administrator*.

Extensions. This period may be extended by the *Plan* for up to 15 days, provided that the *Plan Administrator* both determines that such an extension is necessary due to matters beyond the control of the *Plan* and notifies you, prior to the expiration of the initial 30-day processing period, of the circumstances requiring the extension of time and the date by which the *Plan* expects to render a decision.

Calculating Time Periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is deemed to be filed in accordance with the procedures of the *Plan*.

Appeal of adverse benefit determinations

Full and fair review of all claims

In cases where a claim for benefits is denied, in whole or in part, and you believe the claim has been denied wrongly, you may appeal the denial and review pertinent documents. The claims procedures of this *Plan* provide you with a reasonable opportunity for a full and fair review of a claim and adverse benefit determination. More specifically, the *Plan* provides:

- You at least 180 days following receipt of a notification of an initial adverse benefit determination within which to appeal the determination;
- You the opportunity to submit written comments, documents, records, and other information relating to the claim for benefits;
- For a review that does not afford deference to the previous adverse benefit determination and that is conducted by an appropriate named fiduciary of the *Plan*, who shall be neither the individual who made the adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual;
- For a review that takes into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in any prior benefit determination;
- That, in deciding an appeal of any adverse benefit determination that is based in whole or in part upon a medical judgment, the *Plan* fiduciary shall consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment, who is neither an individual who was consulted in connection with the adverse benefit determination that is the subject of the appeal, nor the subordinate of any such individual;

- The claim amount
- A statement in clear and concise terms of the reason or reasons for disagreement with the handling of the claim; and
- Any material or information that the *participant* has which indicates that the *participant* is entitled to benefits under the *Plan*.

In the case of an adverse benefit determination on review, the *Plan Administrator* shall provide you access to, and copies of, documents, records, and other information described in items 3 through 6 of the section relating to “Manner and Content of Notification of Adverse Benefit Determination on Review” as appropriate.

Decision on review to be final

If, for any reason, you do not receive a written response to the appeal within the appropriate time period set forth above, you may assume that the appeal has been denied. The decision by the *Plan Administrator* or other appropriate named fiduciary of the *Plan* on review will be final, binding and conclusive and will be afforded the maximum deference permitted by law. **All claim review procedures provided for in the *Plan* must be exhausted before any legal action is brought. Any legal action for the recovery of any benefits must be commenced within 365 days after the *Plan*'s claim review procedures have been exhausted.**

HIPAA PRIVACY PRACTICES

The following is a description of certain rules that apply to the *Plan Sponsor* regarding uses and disclosures of your health information.

Disclosure of Summary Health Information to the Plan Sponsor

In accordance with *HIPAA's* standards for privacy of individually identifiable health information (the “privacy standards”), the *Plan* may disclose summary health information to the *Plan Sponsor*, if the *Plan Sponsor* requests the summary health information for the purpose of:

- Obtaining premium bids from health plans for providing health insurance coverage under this *Plan*; or
- Modifying, amending or terminating the *Plan*.

“Summary health information” is information, which may include individually identifiable health information, that summarizes the claims history, claims expenses or the type of claims experienced by individuals in the *Plan*, but that excludes all identifiers that must be removed for the information to be de-identified, except that it may contain geographic information to the extent that it is aggregated by five-digit zip code.

Disclosure of Protected Health Information (“PHI”) to the Plan Sponsor for Plan Administration Purposes

Except as described under “Disclosure of Summary Health Information to the *Plan Sponsor*” above or under “Disclosure of Certain Enrollment Information to the *Plan Sponsor*” below or under the terms of an applicable individual authorization, the *Plan* may disclose PHI to the *Plan Sponsor* and may permit the disclosure of PHI by a health insurance issuer or HMO with respect to the *Plan* to the *Plan Sponsor* only if the *Plan Sponsor* requires the PHI to administer the *Plan*. The *Plan Sponsor* by formally adopting this *Plan* document, certifies that it agrees to:

Not use or further disclose PHI other than as permitted or required by the *Plan* or as required by law;

- Not use or further disclose PHI other than as permitted or required by the *Plan* or as required by law;
- Ensure that any agents, to whom the *Plan Sponsor* provides PHI received from the *Plan* agree to the same restrictions and conditions that apply to the *Plan Sponsor* with respect to such PHI;
- Not use or disclose PHI for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the *Plan Sponsor*;
- Report to the *Plan* any PHI use or disclosure that is inconsistent with the uses or disclosures provided for of which the *Plan Sponsor* becomes aware;
- Make available PHI in accordance with section 164.524 of the privacy standards;

- Make its internal practices, books and records relating to the use and disclosure of PHI received from the *Plan* available to the U.S. Department of Health and Human Services (“HHS”), for purposes of determining compliance by the *Plan* with part 164, subpart E, of the privacy standards;
- If feasible, return or destroy all PHI received from the *Plan* that the *Plan Sponsor* still maintains in any form and retain no copies of such PHI when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the PHI infeasible; and

HIPAA PRIVACY PRACTICES (Continued)

- Ensure that adequate separation between the *Plan* and the *Plan Sponsor*, as required in section 164.504(f)(2)(iii) of the privacy standards, is established as follows:
 - The *Plan Sponsor* shall only allow certain named employees or classes of employees or other persons under control of the *Plan Sponsor* who have been designated to carry out plan administration functions, access to PHI. The *Plan Sponsor* will maintain a list of those persons and that list is incorporated into this document by this reference. The access to and use of PHI by any such individuals shall be restricted to plan administration functions that the *Plan Sponsor* performs for the *Plan*.
 - In the event any of the individuals described in (a) above do not comply with the provisions of the *Plan* documents relating to use and disclosure of PHI, the *Plan Administrator* shall impose reasonable sanctions as necessary, in its discretion. Such sanctions shall be imposed progressively (for example, an oral warning, a written warning, time off without pay and termination), if appropriate and shall be imposed so that they are commensurate with the severity of the violation.

“Plan administration” activities are limited to activities that would meet the definition of payment or health care operations, but do not include functions to modify, amend or terminate the *Plan* or solicit bids from prospective issuers. “Plan administration” functions include quality assurance, claims processing, auditing, monitoring and management of carve-out plans, such as vision and dental. It does not include any employment-related functions or functions in connection with any other benefit or benefit plans.

The *Plan* shall disclose PHI to the *Plan Sponsor* only upon receipt of a certification by the *Plan Sponsor* that:

- The *Plan* documents have been amended to incorporate the above provisions; and
- The *Plan Sponsor* agrees to comply with such provisions.

Disclosure of Enrollment Information to the *Plan Sponsor*

Pursuant to section 164.504(f)(1)(iii) of the privacy standards, the *Plan* may disclose to the *Plan Sponsor* information on whether an individual is participating in the *Plan* or is enrolled in or has disenrolled from a health insurance issuer or health maintenance organization offered under the *Plan*.

HIPAA SECURITY PRACTICES

Disclosure of Electronic Protected Health Information (“Electronic PHI”) to the *Plan Sponsor* for *Plan Administration Functions*

In accordance with *HIPAA*’s standards for security (the “security standards”), to enable the *Plan Sponsor* to receive and use Electronic PHI for *Plan* administration functions (as defined in 45 CFR § 164.504(a)), the *Plan Sponsor* agrees to:

- Implement and maintain administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the Electronic PHI that it creates, receives, maintains or transmits on behalf of the *Plan*.
- Ensure that adequate separation between the *Plan* and the *Plan Sponsor*, as required in 45 CFR § 164.504(f)(2)(iii), is supported by reasonable and appropriate Security Measures.
- Ensure that any agent, including any business associate or subcontractor, to whom the *Plan Sponsor* provides Electronic PHI created, received, maintained or transmitted on behalf of the *Plan*, agrees to implement reasonable and appropriate Security Measures to protect the Electronic PHI.
- Report to the *Plan* any Security Incident of which it becomes aware.
- The *Plan Sponsor* will promptly report to the *Plan* any breach of unsecured Protected Health Information of which it becomes aware in a manner that will facilitate the *Plan*’s compliance with the breach reporting requirements of the HITECH Act, based on regulations or other applicable guidance issued by the Department of Health and Human Services.

Any terms not otherwise defined in this section shall have the meanings set forth in the security standards.

STATEMENT OF ERISA RIGHTS

As a *participant* in the *Plan*, you are entitled to certain rights and protections under *ERISA*. *ERISA* provides that all *participants* are entitled to:

Receive information about your *Plan* and benefits

Examine, without charge, at the *Plan Administrator's* office and at other specified locations, such as worksites, all documents governing the *Plan*, including insurance contracts (if any) and copies of the latest annual report (Form 5500 Series) filed by the *Plan* with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the *Plan Administrator*, copies of documents governing the operation of the *Plan*, including insurance contracts (if any), and copies of the latest annual report (Form 5500 Series) and updated *summary plan description*. The *Plan Administrator* may make a reasonable charge for the copies.

Receive a summary of the *Plan's* annual financial report. The *Plan Administrator* is required by law to furnish each *participant* with a copy of this summary annual report.

Continue group health *Plan* coverage

Continue health care coverage in the *qualified medical flexible spending account* for yourself, *spouse* or *dependents* if there is a loss of coverage under the *Plan* as a result of a *qualifying event*. You or your *dependents* may have to pay for such coverage. Review this *summary plan description* and the documents governing the *Plan* on the rules governing your *COBRA* continuation coverage rights.

Prudent actions by *Plan* fiduciaries

In addition to creating rights for *participants*, *ERISA* imposes duties upon the people who are responsible for the operation of the *Plan*. The people who operate your *Plan*, called "fiduciaries" of the *Plan*, have a duty to do so prudently and in the interest of you and other *participants* and beneficiaries. No one, including your *employer* or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under *ERISA*.

Enforce your rights

If your claim for a health benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under *ERISA*, there are steps you can take to enforce the above rights. For instance, if you request a copy of *Plan* documents or the latest annual report from the *Plan* and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the *Plan Administrator* to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the *Plan Administrator*. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the *Plan's* decision or lack thereof concerning the qualified status of a domestic relations order, a *medical child support order* or a *national medical support notice*, you may file suit in Federal court. If it should happen that *Plan* fiduciaries misuse the *Plan's* money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who would pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.
