## **Saint Mary's College Mission Statement**

Saint Mary's College is a Catholic,  
residential, women's college  
in the liberal arts tradition.

A pioneer in the education of women,  
the College is an academic community  
where women develop their talents  
and prepare to make a difference  
in the world.

Founded by the  
Sisters of the Holy Cross in 1844,  
Saint Mary's promotes a life of  
intellectual vigor, aesthetic  
appreciation, religious sensibility,  
and social responsibility.

All members of the College  
remain faithful to this mission and  
continually assess their response to  
the complex needs and challenges  
of the contemporary world.

DONOR  
APPRECIATION  
2012

“We will not promise you happiness.  
We will not wish you security. For we remember that ‘security is mortal’s chiefest enemy.’ And we know that you can be secure only when you can stand everything that can happen to you. If your school has prepared you for this, it has been a good school. We promise you discovery, the discovery of yourselves, the discovery of the universe and your place in it. With these unguessed, untried potencies you begin your lifetime enterprise of exploration into God.”
