**NOTRE DAME CO-EXCHANGE AND
NORTHERN INDIANA CONSORTIUM FOR EDUCATION (NICE) INFORMATION**

Please refer to the Office of the Registrar homepage (<http://www3.saintmarys.edu/registrar>) for complete guidelines for taking a course through the SMC/ND Co-Exchange or through the Northern Indiana Consortium for Education (NICE).

NORTHERN INDIANA CONSORTIUM FOR EDUCATION (NICE) All full-time Saint Mary's students may take courses not available at SMC at the following area colleges on a *space-available basis* only during the fall or spring semesters: Bethel College, Goshen College, Holy Cross College, Indiana University at South Bend, and Ivy Tech Community College. Courses cannot be added before the first class day at the host institution and must be processed by the add deadline at the respective college. Forms are available in the Office of the Registrar. Approval (signatures) must be obtained by your academic advisor, Ms. Susan Vanek (121 Le Mans) and the Registrar. Take the form to the host college and secure permission (signature) from the instructor of the course, then take the form to the host registrar for processing.

SMC/ND CoEXCHANGE - All Saint Mary's students who plan to take a course at ND must submit a *SMC@ND Co-Exchange Form* **every semester**, even if you are enrolled in a ND course this semester. The form is available on the registrar's office homepage. Complete the form **before leaving for break** to receive a priority registration time to register for a class during pre-registration.

- If you are not sure whether or not you will take a class, you should still submit the form -- there is no penalty if you do not take a class.
- Students who **do not** submit forms by this deadline may submit a form later, but **must wait until the first day of classes in the next semester to register for a course at Notre Dame.**
