

Teacher Candidate Standard Three Oral Presentation

Your task is to either create a lesson plan or use a plan already created and reflect on how you designed the lesson. We expect the appropriate format (some use the SMC lesson plan, some the Gabler & Schroeder format, etc). Your presentation should emphasize the lesson plan. You need not have taught the lesson!

Use the criteria of Standard 3, (Saint Mary's P-12 Developmental Standards), available on Blackboard. You may seek to **WOW** us by also using the standards from your Specialized Professional Association (SPA). Those SPAs are also on Blackboard. They are:
